# LEES-McRAE COLLEGE

Endlessly the VORTEX swirling, never ceasing,  
always mixing in its eddys the particles  
temptuously drawn from random to  
its widening circles of breathlessness.

Slowly it begins at first, 'til silently it  
suddenly bursts into a force of  
whirling currents, taking what was  
offered it, and building ere releasing it.

College too entices some, drawing from a  
random glance and molding, as the time allots,  
their lives and minds, disrobing first of childish gear ;  
casting off when ripe for the tests of new spheres.

## THE VORTEX ENLARGES . . . DIMINISHES . . .

The constant, swirling, endless activities . . . the involvement with people and work . . . with inward thought and outward expression. We, the students of Lees-McRae College spend our years here finding ourselves in others, becoming aware of ourselves, learning that "no man is an island entire of himself." We leave Lees-McRae for a weekend, for a holiday, or we leave because we graduate; but we take with us the people, events, insights, and memories that have become a part of us.

A college is like a **VORTEX**, turning slowly in wide circles at the top as it pulls things into its influence, then whirling faster in ever tightening circles until it reaches the inevitable point and speed where it throws off breathless particles to join other currents. All the while, the top is still there, replenishing, drawing new materials into its circle to pull it deeper and faster until it too will reach that end point of beginning something else.

We have watched the college grow and change during this year. We hope we have been successful in our attempt to enlarge the scope and the reach of this yearbook to keep pace with the growth of the college.

# ATHLETICS...

Pride is the keynote of the Bobcat's successes . . . accepting the bitter sting of defeat with grace and dignity . . . strengthening character . . . building physical prowess . . . This encompasses the world of athletics at LMC.

The ability of every student to become involved in LMC's athletics is a rewarding experience. The challenge of competition, the supreme satisfaction in overcoming a foe, and the challenge to take defeat become a part of every student at Lees McRae.

The individual's feeling of gratification is in knowing that he has given his best in competition, and his

fans appreciation of the effort.

The Physical Education Program offers everyone on campus the opportunity to enjoy the competition that intercollegiate athletes have. Intramurals, an intergral part of the physical education program, encourages every student to become involved in friendly, character building competition with his fellow classmates.

The mountainous heights and the chasmic, valley-like lows which accompany victory and defeat are a part of the whirling vortex of college life at Lees-McRae. This vortex draws each student in and then spins them out better students and citizens.

Lees-McRae Hopes To Return To Prominence Of '62 and '63 Power When They Won Crown Two Years In A Row And Established A Conference First . . . .

The LMC Cross-Country team, featuring inexperience with fine freshmen on the seven-man squad, came in third in the conference meet at Brevard college behind Brevard and Wingate. The score was Brevard 16, Wingate 55, Lees-McRae 69, North Greenville 102 and Anderson 127.

John McGowan and Jack Mauk made All-WCSC Cross-Country team by finishing seventh and eighth respectively at the conference meet.

The conference meet finished the season for the Cats with a 2-2 regular season slate and 2-3 overall.

The Cat harriers were all inexperienced with Sidney Perry and Jim King being the only sophs, neither

of which ran last year. The frosh runners were Jack Mauk, John McGowan, Willie Lafferty, Wayne Hanby, and Morrell LaRue.

The Cat victories were over Asheville-Biltmore 25 to 30 and over Gaston College and Mitchell 25 to 42 and 60 respectively. The defeats were a loss to Wingate 26 to 38 and another loss to Wingate 20 to 39.

Brevard Represented Region 10 and the WCJC Conference in the Nationals and finished sixth behind five teams including Ricks College (Idaho) who won the meet among some 25 Jr. Colleges that entered.

# SPORTS

Team work is essential to the success of any team, and, after watching Lees-McRae teams in action, it was obvious that each player contributed to the winning of a game.

However, there are always outstanding players and especially was true of Ronnie Rossello, Honorable-Mention All-American in Football. Dave Ahles won All-Conference acclaim as did Glynn Thompson. Rossello's and Ahles' laurels were made possible by a light and inexperienced freshmen line that played the game to win and hustled until the final whistle. Thompson anchored the defense that likewise was young and inexperienced but determined. Freshman Joe Johnston was the standout on the hardwood and led the Bobcats all season. Johnston received ample support from Captain Jim King, a mainstay for the 'Cats and a hot-handed shooter. Don Johnson, probably one of LMC's greatest netters, returned to star for the 'Cats. He was All-Conference in tennis and most valuable his freshman year. He was one of the main reasons Lees-McRae won the conference and received a berth in the Nationals held in Ocala, Florida.

Of course, not enough can be said for the men who labor diligently to direct and produce the teams at Lees-McRae. Often scoffed and ridiculed for bad judgement and poor coaching, these men continue to work for a proud tradition in LMC athletics.

A college's athletic program can only be as good as the President's interest in such. President Max Chapman supports athletics at Lees-McRae on a sane basis. An avid sports fan, he is one of the Bobcats' most energetic rooters. He works closely with Athletic Director George Litton for a sound, well-rounded sports program at LMC.

Colonel Max C. Chapman (USMC retired) assumed the duties of President of Lees-McRae College in August of 1961. Colonel Chapman, a graduate of Clemson College, has been instrumental in Lees-McRae's rapid growth and progressed in the last five years. President Chapman seeks to make Lees-McRae one of the finest Junior Colleges in the South. He wants excellence in academics and in all phases of college life. This includes athletics. His energetic spirit is reflected in the student body and his drive and determination offers a challenge to the students of the college.

George Litton has been Athletic Director and Head Football Coach since the fall of 1962. In 1964 he took over the helm of the Lees-McRae basketballers and directed them to a first place championship in the WCJC Conference and runner-up in the Region 10 Conference. Last year he guided them to a third place finish in the Conference and a Consolation Victory in the WCJC Conference Tournament.

A native of Big Stone Gap, Virginia, Litton attended East Tennessee where he captained the Buccaneers his senior year and was an All-OVC Selection at end. Before becoming the Head Mentor at Lees-McRae, Litton served as a Graduate Assistant on East Tennessee State University's Athletic Staff.

Ironically, Litton did not play basketball at ETSU but was an outstanding end and captain for the Buccaneer gridgers. He was hired at Lees-McRae as football coach and Athletic Director. Chuckling about his success in basketball he states, "We have hired a basketball coach and a good one, in Jack Lytton. He will assist me this year and it is hoped that he will take over the reins next year."

Jack Lytton, a native of Surgoinsville, Tennessee, was a star guard for the Appalachian State College team and was a graduate assistant to Coach Bob Light at ASTC.

Assistant Football and Head Track Coach Jerry Kirk was an All-OVC center two years in a row at ETSU. Kirk is considered by many as one of the best centers ever to play for State.

He served as student coach under Coach Charlie Bradshaw at the University of Kentucky, 1963-64. The Bobcats under Kirk and Litton posted their best season since 1960 with a 6-4 record.

Don Baker, Tennis Coach, a graduate of Lees-McRae College and East Tennessee State University, has served as Director of Public Relations and Publicity at Lees-McRae since 1960. He has been Sports Publicity Director for Region 10 of the NJCAA since 1962.

His tennis teams have compiled a 32-17 won-loss record, and two WCJC Conference Championships and two second places. Last year they represented Region Ten and the WCJC in the Nationals in Florida.

## FRESHMEN-LADEN BOBCATS POST 6-4 RECORD

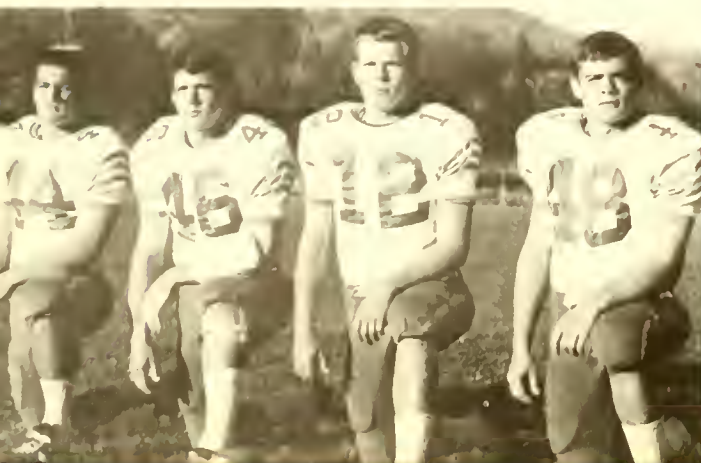

... BEST SINCE COACH LITTON TOOK OVER IN '62 ...

### BOBCATS UPENDED IN SEASON OPENER

The Bobcats jumped out to a 26 to 7 lead over Chowan early in the third quarter, but were unable to hold the lead and lost on a fourth period TD and extra point.

The Bobcats led by Ronnie Rossello's three touchdown runs had a lead of 19 to 7 early in third period after a 12 to 7 half time lead. On the kickoff following Rossello's third TD Sam Reed picked up a fumble and rambled 19 yards to give the 'Cats a 26 to 7 lead. However, at this point favored Chowan started its winning comeback, marching to two consecutive TDs before the close of the third stanza. They then scored the winning marker in the fourth period to send the Bobcats down to defeat.

**BOBCAT BACKFIELD.** Below is the LMC backfield. This combination has accounted for 1,332 total yards in six games for a 222 total yard average per game. The 'Cats averaged 112 yards on the ground and 105 yards in the air per game. Rossello led the conference in rushing. McCall was the top passer and Ahles was the top receiver in the league. Left to right: Rossello, Ahles, McCall and Storer.

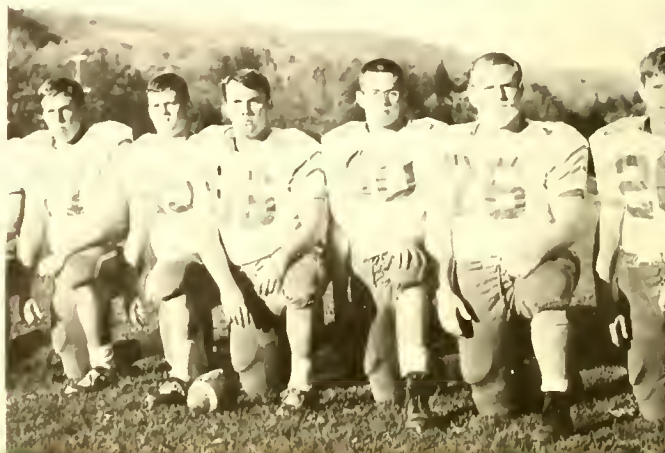

### FINAL QUARTER COMEBACK WINS FOR 'CATS

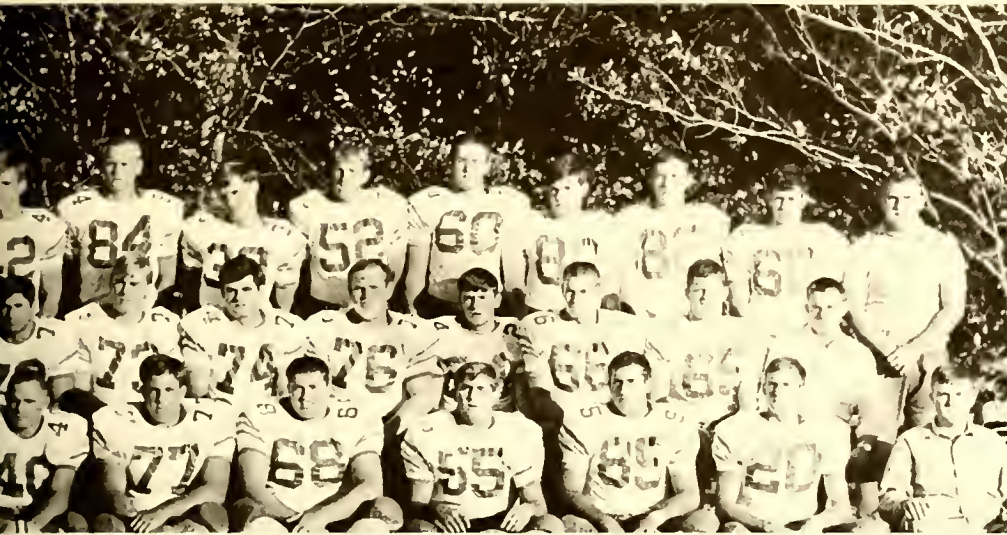

The Lees-McRae Bobcats, victims of a comeback the week before, put on a fourth quarter comeback resulting in two TD's and a 13 to 9 victory over East Tennessee State JV's.

Leading the Bobcats were Mike McCall, with two TD passes, and Sam Reed, who intercepted two Baby Buc passes to stop drives. McCall hit Rod Kittrell for a 23 yard bomb and Al Savill for a 25 yard TD pass to bring the 'Cats back from a 9 to 0 deficit. Others who were outstanding on defense were Pat Withers, and new-comers Glynn Thompson and E. G. Shepherd.

**THE BOBCAT OFFENSIVE LINE — LEAN BUT LIVELY.** The offensive line for the Lees-McRae College Bobcats boasts the smallest and lightest team in many years for Head Coach George Litton. The forward wall is composed of only one sophomore and the largest man on the team is Bob Lyons, 230-pound tackle. Left to right: Corriher, Lyons, Hodnett, Gentle, Pierce, Farmer, and Wimer.

# FOOTBALL

First row, left to right: Kenneth Carter, Bob Lyons, Glynn Thompson, Pat Withers, Dickie Bolick, Bob Julian, Ed Hampton, manager. Second row, left to right: Bill Capuano, Barry Weiser, Art Groom, Barry Farmer, Mike Bolen, George Smith, Jim Hodnett, James Stevens, manager. Third row, left to right: Sam Reed, Al Savill, Harry Turner, Scott Swing, Greg Pierce, Steve Gilbert, Chris Corriher, E. G. Shepherd, Hugh Thompson.

The BOBCATS, inexperienced and outweighed, came through with the best season enjoyed by LMC grid-ders under Coach George Litton and the best record since 1960. The 6-4 record not only marked improvement but also raised hopes for next year as 21 freshmen lettered. The Bobcats began the season with nine returning lettermen. The returnees are Bob Lyons, Ronnie Rossello, Dave Ahles, Bob Julian, Mike McCall, Terry Loggans, Pat Withers, Dick Bolick, and George Drake. The Cats' LIGHT BRIGADE on offense consisted of Bolick or Chris Corriher at strong end, Woody Wimer or Rod Kittrell at split end, Barry Farmer and Lyons at the tackles, Greg Pierce and Jim Hodnett at the guards, Terry Gentle at center, Ahles or Dave Bower at halfback, Bernie Storer at fullback, Rossello at tailback, and McCall and Danny Copenhaver at the quarterback slot. The defensive LIGHT BRIGADE was manned by Don Rogers, Barry Weiser and Al Savill at the ends, Glynn Thompson and Harry Anderson at the tackles, Pat Withers, E. G. Shepherd, and Scott Swing at the linebacker slots, Loggans at cornerback, Sam Reed and Julian at halfbacks and Harry Turner and Drake at safety. The Bobcats had a genuine asset at punter in Tom Ulmer who had a 42 yard average despite having four punts blocked. The Cats' best season in six years, plus the returning lettermen for next year, gives LMC something to look back on in pride and to look forward to with great anticipation.

## FROSH GAIN EXPERIENCE UNDER FIRE . . .

### BULLDOGS MAUL 'CATS WITH FEROCIOUS DEFENSE

### LMC ROMPS TO WIN OVER FURMAN FROSH

The Gardner-Webb Bulldogs' defense scored 16 points, as the Bulldogs mauled the Bobcats, at a postponed homecoming game, 24 to 6.

Freshman Woody Wimer caught two TD passes from Mike McCall to lead the Bobcats to a 25 to 7 romp over the Furman Frosh.

The Bobcats' Tom Ulmer had a punt blocked in the first quarter and GW's John Taylor ran it in for a TD as the Bulldogs jumped off to an early lead. After GW had stretched its lead to 13 to 0 Mike McCall hit Rod Kittrell with a 44 yard bomb as the half ended with the Bobcats behind 13 to 6. The second half was a defensive battle with GW's defense scoring on an intercepted pass and two safeties.

The other Bobcat scores came on a line plunge for six by Bernie Storer and on a 48 yard punt return by Sam Reed. The Reed score was set up by a vicious block by Al Savill.

Again the Bobcats' defense was outstanding as they stopped the Baby Paladins time after time.

**TENACIOUS BACKFIELD.** Below is the tenacious secondary of the Lees-McRae College Bobcats who gave up only 37 yards passing to the Chowan Braves in one game, and turned in three pass interceptions. These Bobcats allowed only four completions in 12 attempts and 37 yards. They led the conference in pass defense. Left to right: Julian, Reed, Turner and Loggans.

**UNSCORED ON IN 18 QUARTERS.** Pictured below is the Lees-McRae College defensive line unscored upon in 18 quarters of play. Left to right: Savill, Anderson, Thompson and Rogers. Back row: Swing, Shepherd and Withers.

### LMC 6—ETSU JV 0

Bob Julian intercepted a pitchout and scooted 38 yards for a score early in the third quarter for the only score in a tight battle as the Bobcats edged the Baby Bucs 6 to 0.

Both teams were unable to get going on offense, but the defenses for both teams was great. Leading the Bobcat defense, besides Julian, were Thompson, Shepherd, Reed and Turner.

### LMC EDGES ASTC'S JVS 6 TO 0

Dave Bower caught a 41 yard pass from Danny Copenhaver for the winning score with just a few minutes left in the game as the Bobcats edged Appalachian's JV 6 to 0.

The Bobcat defense led by Kyse, Hamilton, Carter, Spantgos, Bolick, Drake, and Roatenberry held the Little Mountaineers at bay all afternoon.

### BOBCATS AVENGE EARLY LOSS AGAINST CHOWAN

The LMC Bobcats avenged an early season loss to Chowan, by beating the Braves 12 to 7 at their homecoming. Danny Copenhaver, subbing for injured Mike McCall, hit Ronnie Rossello with a scoring toss and Bernie Storer hit over from the three yard line for the Bobcats' points.

The Braves got their score when Guy Kinsey intercepted Denny Hamilton's pass and went 90 yards with it in the fourth quarter.

### 'CATS LOSE TOUGH ONE TO GW'S BULLDOGS

The Lees-McRae Bobcats played one of their finest games of the season on offense and defense only to lose to the Gardner-Webb Bulldogs 10 to 0 on a short line plunge for a TD and a field goal.

The combination of Danny Copenhaver and Dave Ahles hooked up for nine passes and 139 yards. Twice this combination had the Bobcats down close only to be turned back by penalties and by a questionable goal line stand, in which the referees refused to measure a fourth down and inches for the Bobcats.

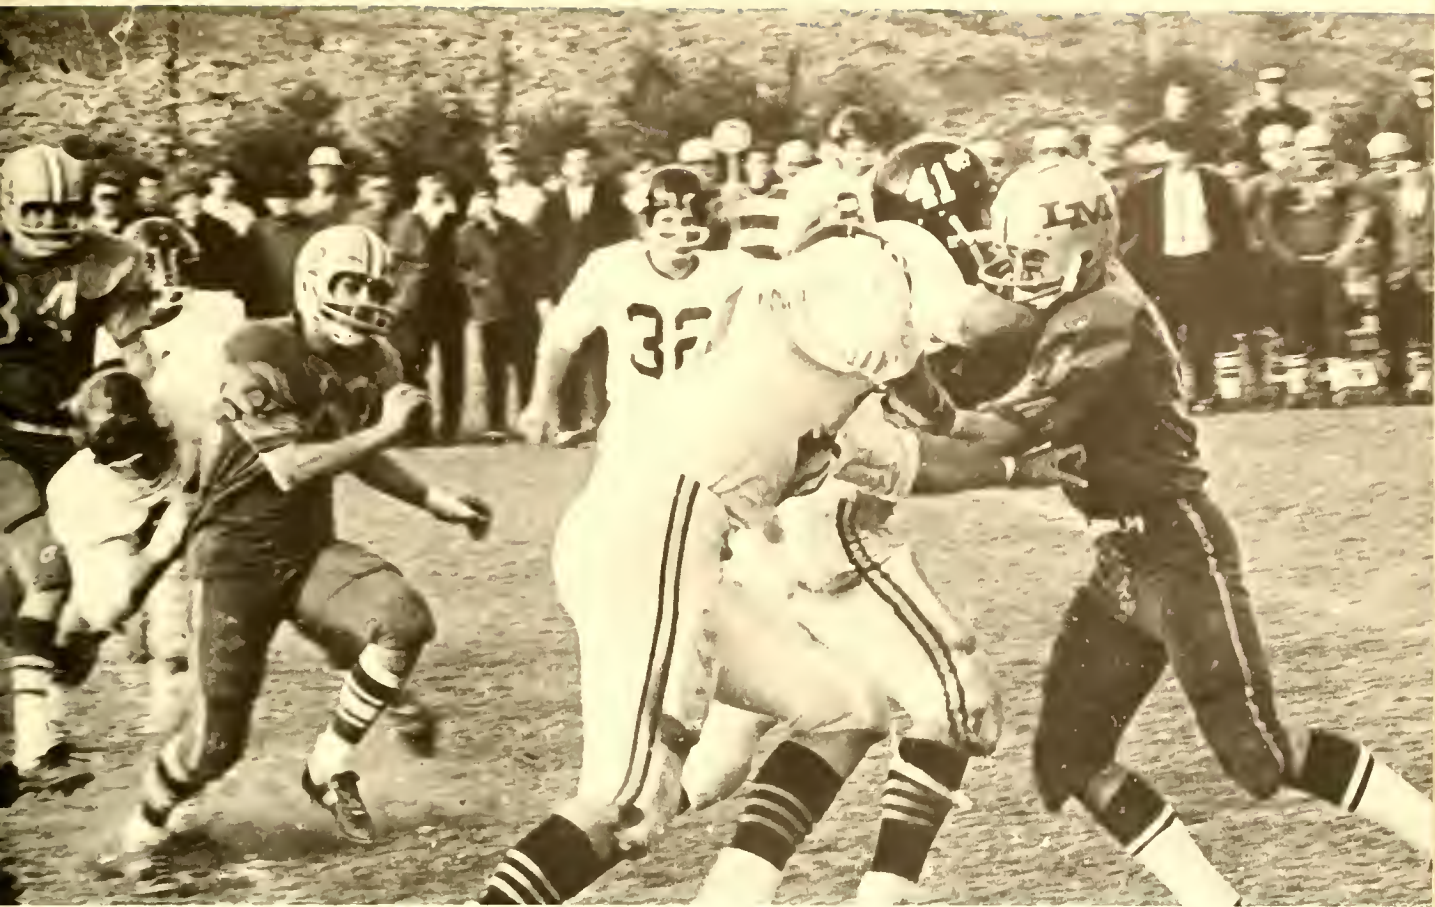

## 'CATS LOSE TO CHOWAN BY ONE POINT . . . GW WINS FIRST GAME BY 2 TDS, ONE THE SECOND

Rocky Rossello runs for long gain against CMA. He tied a school record with 130 yards in 20 rushes in a single game. The Bobcats won 26-20. CMA game enabled Rossello to take a commanding lead in Region Ten rushing. A title he earned two years in a row.

## ... CHAMPION FERRUM OVERCOMES BOBCATS BY ONLY 2 TD'S ALTHOUGH HEAVILY FAVORED

### DEFENDING CHAMP'S FERRUM EDGES BOBCATS

The Ferrum Panthers needed the help of a 61 yard run in the fourth quarter to beat the Bobcats 20 to 6. The Bobcats, in bad field position most of the day, had played the Panthers a close contest until Mike Bradley's run broke their backs.

Mike McCall took the 'Cats in for a score after Danny Copenhaver had been knocked out. His pass into the end zone was snared by Dave Ahles.

### RECORD PERFORMANCES MARK BOBCATS' VICTORY

Record performances by Pat Withers, Mike McCall, Ronnie Rossello, and Dave Bower, plus a determined comeback, marked the Bobcats victory over Carolina Military Academy in the last game of 1966.

Withers made a total of 25 tackles to tie the school record. McCall threw three TD passes (in only four attempts) to tie the school record and Bower caught all of McCall's passes to break the school record in TD passes received and to tie the record for TD's scored in a game. Ronnie Rossello played his finest game of the season gaining 130 yards in 20 attempts.

These outstanding performances carried the 'Cats to their 26 to 20 victory. The Bobcats had a 19 to 0 lead at halftime, with only a few minutes left in the game the McCall to Bower combination clicked again to give the Bobcats the win and 6 win, 4 loss season.

Freshman quarterback, Danny Copenhaver, carries deep into CMA territory to set up first TD.

## RON ROSSELLO, DAVE AHLES, GLYNN THOMPSON

## ALL REGION TEN NJCAA . . .

The football coaches of the Region 10 Conference of the National Junior College Athletic Association selected members to represent their schools on the Region 10 team. Lees-McRae coached by George Litton and co-champion Hank Norton's Ferrum Panthers and Norman Harris' Gardner-Webb Bulldogs placed three men each on the "dream team." Chowan coached by Jim Garrison had two members receive a berth on the mythical Region 10 squad.

Unanimous choices were tackle Lou Santospage, guard Joe Cappola, and tackle Willard Arthur of Ferrum. Gardner-Webb had end Roy Thompson and guard John Taylor as unanimous choices and Lees-McRae placed three unanimously in Ron Rossello, a tailback, Dave Ahles, a halfback, and Glynn Thompson, a tackle. Unanimous choices for Chowan were tackles Gerald "Tiny" Matthews, and Lawrence Edwards. Gardner-Webb's Tom Gillis also made the eleven man squad.

Ronnie Rossello, a sophomore from Atlanta, Georgia, led Region 10 in rushing for the second year in a row and was voted "Back of the Year" in Region 10.

Rossello, the Bobcat captain, led the team, which started 16 freshmen out of the first 22, to its best record in six years. He rushed for 791 yards in 202 carries for a 3.9 average and 3 TDs, behind a freshman line. In addition to this valuable rushing and blocking, Rossello ran back punts and has 10 pass receptions for 95 yards and 1 TD. David Ahles was a unanimous choice to the Region 10

dream team. Ahles, a halfback for the Bobcats, was one of the deciding factors in the best season Lees-McRae has had in years.

Ahles came on to replace the injured Rod Kittrell, who was leading the Region 10 pass receiving statistics, to take the lead of the early games, but he came back to take over at halfback and caught 26 passes for 372 yards in 47 carries for a 2.7 average.

Ahles, a sophomore, added a stabilizing unit to the predominantly freshman Bobcats, leading them to a 6-4 record.

Big Glynn Thompson proved to be one of the most valuable transfers to Lees-McRae in years. He transferred from South Carolina where he played freshman ball.

Thompson, who stands 6 feet 6 inches tall and weighs 265 pounds, was the stalwart in the Bobcat line. He led a defensive unit which improved steadily until the last game of the season he led the line charge which held Carolina Military Academy to a minus 14 rushing.

Thompson played outstandingly in every game, coming up with big plays in each of them. Against Chowan he blocked and intercepted a pass, and against defending champs Ferrum he led the Bobcats in tackles as they held the Panthers to 70 yards lead than their average rushing.

Thompson was second in tackles on the Bobcat squad, having 97 assists and 22 solos for 119 total tackles.

### Four Add Names to Bobcats' Record Book

Four LMC football Bobcats added their names to the record book by breaking or tying records in the Bobcats' game with Carolina Military Academy. Ronnie Rossello tied the record for most yards gained rushing in a single game by picking up 130 yards in 20 carries. Mike McCall tied the record for most touchdown passes in a single game with three pay off tosses in only four attempts.

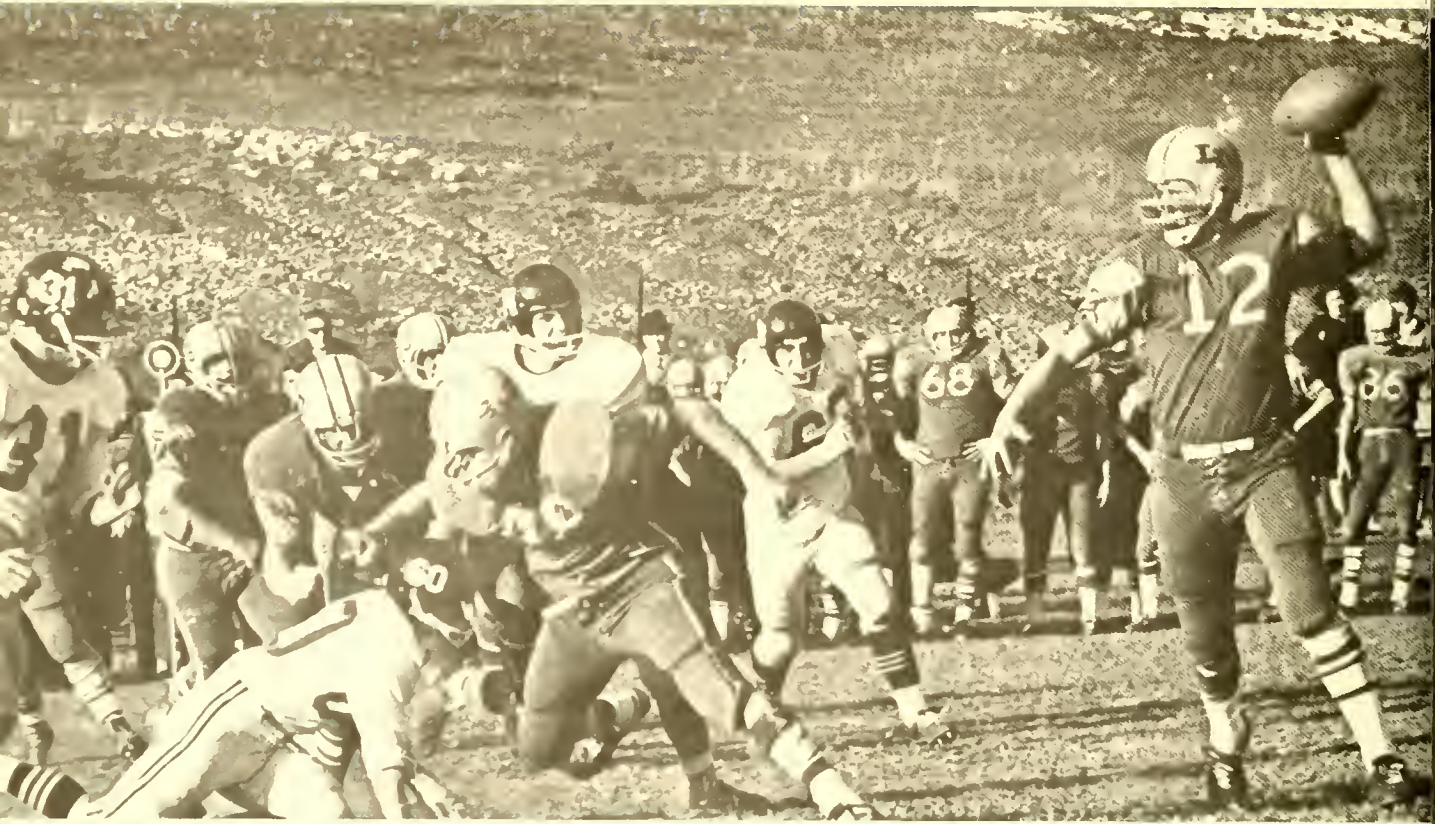

Pat Withers tied the single record for the most tackles with 25. He had 24 assists and one solo tackle. David Bower, the only freshman record breaker, caught all three of McCall's passes for TDs, thus setting a record for the most touchdown passes received in a single game, three. Rossello and Bower both tied the record for the most points scored in a single game with 18.

Bernie Storer turns on the speed to outrace Chowan defenders for long gain. The Pittsburgh flash set up Rossello's first TD on this gain. The Bobcats led 26 to 7 at this point before a fourth quarter three TD barrage by Chowan to win, 27 to 26.

Kittrell takes a pass from QB Mike McCall. Injured in the third game of the season, Kittrell led the conference in pass receiving for weeks and ended up third conference in pass receiving although he played in only three games.

# BASKETBALL

The young Bobcats, starting four freshmen, launched their season with resounding victories over Steed 97 to 69, Warren-Wilson 90 to 74, Brevard 76 to 61, Wytheville 103 to 73 and Palmer 138 to 37. This early season streak carried LMC to fourth place in the Conference and a 16-11 overall record. Included in the victory column was a late season upset over Conference champs Gardner-Webb, 80 to 66. It was the only Conference defeat the champion Bulldogs suffered. The Freshman-laden Cats were sporadic in their performances all season. Williams, King, Gibson, and Smith had flashes of greatness but never performed consistently. Frosh sensation Joe Johnston found difficulty in performing consistently from night to night. He has a season low of 10 points against Brevard as the Bobcats lost, 74 to 62, to a team they had beaten 14 points earlier in the season. His 50 point output against the Appalachian State JV's earned him a new school scoring record and tied the WCJC Conference record. His 50 point barrage bettered the 40 point total of Gary Chenevey against Emory-Henry's JV's. Johnston tied Asheville-Biltmore's Dan Goolsby who scored 50 points against Warren-Wilson in 1964. With a total of 583 points in 27 games Johnston set a new school scoring record for the season. The previous record was held by Jack Campbell in 1958 with 544 points in 28 games. Gary Chenevey last year had 516 points in 24 games for a 21.5 average. Johnston is destined to rewrite the record books again next year. He is in hot pursuit of Bob Patchett's 1953-55 two year scoring record of a 1,005 total points. Despite the season performance the Bobcats finished with a better than .500 record. With new replacement coming in, and with four returning veterans next year, Bobcat rooster's will have something to cheer about.

Jim King's performances all year were sparked with razzle-dazzle plays such as this twisting, underhanded layup.

Terry Smith drives in for two in the Bobcats' loss to North Greenville. Smith was a stalwart on the boards and on defense for Lees-McRae all season.

Jumping Joe Johnston lays in an easy two points as big Terry Smith looks on.

Two points for Johnston. Johnston demonstrates the poise and finesse that earned him all-conference and all-tournament honors.

HOT AND COLD BOBCATS SHOW PROMISE...

POINT TO NEXT SEASON WITH PRIDE

Freshman standout, Dallas Williams, drives around North Greenville opponent. The brilliant little guard turned in sterling performances on occasion and was the playmaker and quarterback for the ball club all season. His hot hand earned him the second highest scorer on the team for the season.

The freshmen laden Lees-McRae Bobcats finished fourth in regular season play and in the WCJC Conference Tourney. The play of several outstanding freshmen paced the Cats to their surprising finish. Sensation Joe Johnston led the 'Cats in scoring and rebounding. Terry Smith, Darryl Gibson, and Dallas

Williams were other freshman starters throughout the season. Sophomores Jim King and Ron Powers gave the squad the needed leadership and experience. Danny Copenhaver, Ron Fowler, Jerry Hemmings, and Steve Greene gave valuable bench strength.

The Bobcats took second place in the Wytheville Holiday Invitational Tournament at Wytheville Community College in Wytheville, Virginia. They rolled over WCC in the opening round but fell victim to Ohio Valley College of Marietta, Ohio in the finals. Next year the Bobcats will participate in the Holiday Invitational Tournament in Troy, New York.

Jerry Hemmings and Jim King grapple for a rebound in the Cats' opening game loss to ASTC's JV 94 to 62.

Ron Powers lays up the ball for two points in the Bobcats victory over Gardner-Webb 80 to 66. The upset victory was the only loss the champion Bulldog suffered at the hands of a conference foe.

Dallas Williams arches a jump shot over a North Greenville defender for two points.

Lees-McRae fans look forward with eager anticipation to next season. The returning freshmen will make the Bobcats a leading conference power. Coach Jack Lytton will take over the helm from Head Coach George Litton who retires from the hardwood wars with a four-year record of 51 wins and 29 losses. The outstanding play of Johnston, Smith, Williams, Gibson, and others will continue and should make the Bobcats exciting and winners.

Bobcat Bench display approval on court action. Coach George Litton and Assistant Jack Lytton added much to the color and excitement of the game. Their leadership was evident as the Bobcats with only two returning veterans amassed a 16-11 over-all record and fourth place in the conference with a 5-7 mark.

## SPRING SPORTS

### ATHLETES HONORED AT BANQUET

Recognized for outstanding achievement in athletics at Lees-McRae. Pictured below are the men who were singled out for achievement in the various inter-collegiate sports at LMC last spring. Front row l-r: Frank Wright, new school record in football in tackles-made department—established record 182 tackles; Harry Herckener, John Weaver, Bill Oehler, members of the 1966 Championship Tennis Team; Donnie Johnson, WCJCC Tournament Doubles Champion and All Conference; Charlie Noe, WCJCC Tournament Doubles Champion along with Johnson, and WCJCC Singles Champion and undefeated at the no. 3 position in singles for the season with a 14-0 record. Back row John Powell, place in the WCJCC Track Meet; George Drake, a school record in the pole vault; Ron Powers, best percentage field goal shooting in basketball; Fritz Riebe new school record in triple-jump; Arnold Freeman new school record in the javelin throw; and Gary Chenevey, "Mr. Everything." Chenevey: high scorer in track, high scorer in basketball, record holder in the 330 hurdles, best free throw shooting percentage in basketball, leading rebounder in basketball, school record in most points scored in a game, school record in most rebounds in a game, All WCJCC Conference, and All Region 10 basketball, football school record with 12 pass interceptions to his credit, also voted most outstanding senior athlete.

## TRACK

### BOBCATS THINCLADS PLACE THIRD IN STRONG FIELD AT CONFERENCE MEET FREEMAN SETS RECORD

The Bobcats had a short season with only five meets in track last spring. In the regular season the Bobcats split a pair of meets with Gardner-Webb, they defeated Wingate, and they lost to Brevard. The Bobcats placed third in the WCJCC tournament at Brevard. Brevard won the tourney with 90 points, Gardner-Webb placed second with 61, Lees-McRae had 42, Anderson 31, Wingate 25, and North Greenville 5.

The track team proved itself to be as good as could be expected due to the conditions that prevailed. Weather conditions prevented workouts, the short season hampered conditioning, and the lack of field facilities made workouts tough. Even with these factors against them, the track team has set twelve new school records in the last three years. This season the pole vault record was set by George Drake who vaulted at 12 feet, the Javelin record for the school and for the WCJCC was set by Arnold Freeman, who threw for a distance of 173 feet, the triple jump record was set by Fritz Riebe who jumped 40'11", and the 300 yard intermediate hurdle record was set by Gary Chenevey who ran it in 43.0 seconds. Chenevey was also the leading scorer for last season.

In the conference meet Fritz Riebe was high scorer for LMC with 10 points. Five places were awarded in each event, and medals were given for the first three places.

Captain Riebe sets torrid pace in 440 yard run. Riebe established new track records as seen above as he out distanced his nearest competitor by thirty yards.

#### BOBCATS DEFEATED BY BULLDOGS IN OPENER

The Gardner-Webb Bulldogs mauled the LMC Bobcats in the first meet of the season, 93 to 43. The Bulldogs won 11 of 16 events to pile up their score. The cats were unable, due to bad weather, to get outside for practice before the meet.

Leading the Bobcats effort were John Powell, Don

Rettew, Arnold Freeman, Bob Julian and Tom Holcombe. Powell had a first in the high hurdles, and thirds in the javelin and the high jump. Rettew had a first in the two mile run and a second in the mile run. Freeman had a first in the javelin, Julian had a first in the high jump, and Holcombe a first in the broad jump.

Rettew wins mile run against Wingate.

440 relay team won consistently through season, but fell victim to Brevard in conference championship.

## BOBCATS BLITZ WINGATE

The Lees-McRae Bobcats captured 13 first place finishes in 17 attempts to walk away from Wingate Junior College, 104-39, in track action at Banner Elk.

Lees-McRae lost only the 100 yard dash, 220 yard dash, 440 yard dash and the high jump while claiming all other events for themselves.

Mel Riebe was the leading point man for the Bobcats with 18 points and Gary Chenevey followed with 13. Riebe had firsts in the 880 yard run, the broad jump, and the high jump and Chenevey had firsts in the 220 hurdles, 120 hurdles, and second in the high jump.

Arnold Freeman had a first in the javelin and in the discus and a second in the pole vault.

## BOBCATS GET REVENGE ON GARDNER-WEBB

The Bobcats got revenge on Gardner-Webb's Bulldogs with a 69 to 67 victory on the LMC track.

Leading the Cats to victory were Gary Chenevey with 13 points, Mel Riebe with 10 points and Don Rettew with 10 points. Chenevey has firsts in both hurdle events, and a second in the high jump. Riebe had firsts in the broad jump and in the 880 yard run. Rettew had first in the mile and two mile runs.

Others racking up points for the Cats were Drake, first in the pole vault, Julian, first in the high jump, Freeman first in the javelin and Shockley second in the discus and shot put.

Everybody gets into the act at the track meets. Here, coed beauty Gale Evans assists Coach Whittaker and Joe Beck in holding the tape as a Bobcat cinderman finishes first.

The 67 thinclads, who suffered great losses through graduation, faced a rugged schedule against highly seasoned cindermen from Brevard, GW and Wingate. All three clubs had experienced and talented veterans. Brevard, winner of the WCJC Conference last year was the team to beat going into the Conference Tourney the first of May. Coach Kirk had his work cut out for him with only three returning lettermen: Shotput and discus man Dennis Shockley and Tom Holcombe and Bob Julian, runners. The great loss of captain George Drake was felt to the 'Cats cause. Drake sustained a broken neck in an accident before track season ending a brilliant career. Drake held the School record in the pole vault and was destined to beat the School and conference records in that event.

## TENNIS

### LEES-McRAE TENNIS TEAM WINS CONFERENCE NET CROWN—UNDEFEATED

Lees-McRae won its second Western Carolina Conference tennis championship in three years by taking one of two doubles finals and amassing 71 points for the three-day tourney last spring at Gardner-Webb.

Gardner-Webb provided the Bobcats' closest opposition with 60 points; Brevard had 36, Wingate 27, and Anderson 13.

In the first number doubles match, LMC's Don Johnson and Charlie Noe, both all conference selections, defeated Jennings Neely (another all-conference choice) and Harry Crosby of Wingate, 7-5, 7-5.

The final match of the day provided the most excitement as Rod Dulaney and Ed Madsen of Gardner-Webb beat Ron Rossello and John Weaver of Lees-McRae, 6-4, 14-16, 6-4.

Top seeded Larry Smith of Brevard won the No. 1 singles division by defeating third-seeded Don Johnson of Lees-McRae 6-4, 6-4. Johnson advanced to the finals as he played inspired tennis by defeating Jennings Neely of Wingate, second seeded, 6-3, 7-5. Neely was the WCJCC defending singles champion. Smith's record of 7-1 bettered Neely's 6-1 mark for top seeding. Johnson was 4-3 in conference play.

Arnold Phillips, Gardner-Webb, charged to an upset over top-seeded Ron Rossello of Lees-McRae in the No. 2 singles division. Rossello polished off Tommy Hall of Anderson 6-4, 6-2 to gain the finals. Phillips won 6-3, 9-11, 6-4.

Charles Noe waltzed to the No. 3 singles division championship on three love sets as he aced Bill Carrier of Wingate 6-0, 6-0. Noe was high scorer for the tournament with 30 points. He teamed with Don Johnson to win the No. 1 doubles championship.

The Conference title enabled Lees-McRae to participate in the national tournament at Central Florida Junior College at Ocala, Florida, June 6-10.

(Left) These LMC Netters posed during the tournament in Florida for an Orlando newspaper photographer. As participants in the National Junior College Athletic Association Tennis Tournament held in Ocala, Florida, the Bobcats competed in the five-day tourney. The only disappointment, from the otherwise enjoyable experience, was the loss to Miami-Dade Junior College who went on to win the National Championship. Noe and Johnson entered the singles competition and had the misfortune of drawing the No. 1 and No. 4 seeded players in the tournament. Top-seeded Mike Keeley of Miami-Dade defeated Johnson 6-1, 6-2; while fourth place Henry Germain of Henry Ford Junior College (Detroit) defeated Noe 6-2, 6-2. The Lees-McRae Doubles Team of Ron Rossello and John Weaver lost to San Jacinto 6-2, 6-2. Don Johnson advanced in the consolation hut was defeated by Pete Peterson of Snow College (Utah) 9-7, 6-4. Noe was eliminated in the consolation round by Bob Grubbs of San Jacinto 6-4, 6-3.

### FLORIDA BOUND BOBCATS REWRITE RECORD BOOKS

Above are the Lees-McRae Bobcat Netters who swept the team trophy away from the opposition in the WCJCC Tournament held at Gardner-Webb last spring. The Bobcats finished regular season play with an 8-0 conference record and as tournament favorites won easily. Left to Right: John Weaver, Winston-Salem; Harry Herckner, Haddonfield, N. J.; Donnie Johnson, Virginia Beach, Va.; Charlie Noe, Morristown, Tenn.; Bill Oehler, Shelby; and Ronnie Rossello, Atlanta, Ga.

The 1966 Tennis Team set an unprecedented school record with 14 wins against no losses. The best record previously had been the 9-2 record in '65, and the 7-2 record in '64. Lees-McRae has won 30 games against four defeats in the past three years. Such greats as Mac Wellford, '64; Jim Goodman, '64; Andy Gabriel, '65; and John Jessen, '65, will be joined by Charlie Noe and the sensational, Donnie Johnson. Johnson is destined to rewrite the tennis records at LMC.

The Bobcats, under Coach Baker, continue to build a winning tradition at LMC in tennis. Since entering intercollegiate tennis in '61 the Bobcat netters have amassed 32 victories against 17 losses.

Charlie Noe, No. 3; Ron Rossello, No. 2; Donnie Johnson, No. 1 man for the Bobcats.

## JOHNSON, ROSSELLO, HERCKNER, WEAVER RETURN FOR '67

The 1966 Lees-McRae tennis team had the best record in the history of the school with an 8-0 conference record and a 14-0 record overall.

The 'Cats of Coach Don Baker set a number of school records and firsts. They were the first team to go undefeated. They set a record by shutting out Anderson 7-0, Anderson 9-0 Asheville-Biltmore 5-0, and Montreat Anderson 9-0, for a mark of four shut outs in a season.

The Bobcat net-men were the first team to defeat a Region 10 Champion when they beat Ferrum, Cavalier Tarheel Conference Champions, 8-1.

The 'Cats were the first team to have three men go undefeated in conference play with Ronnie Rossello No. 2 (8-0), Charlie Noe No. 3 (8-0) and John Weaver No. 4 (8-0).

The tennis team was the first in the school's history to participate in the National Junior College Athletic Association (NJCAA) Tennis Tournament. They were the first athletic team to represent Lees-McRae in any athletic event in the national tournament.

# GOLF

Not since 1958, behind the talented Shuford twins, Frank and William from Hickory, has the Bobcat linkmen enjoyed success. Willard Holden played with the Shufords that year and led the Bobcat golfers in 1959. In 1960 the late Gary Thompson was the medalist in that WCJCC tournament and set a school record for medalist honors.

Last year the Bobcat Golfers defeated Montreat-Anderson in two matches and placed second in a tri-match with Brevard and Asheville-Biltmore. They dropped WCJC Conference matches to champion Gardner-Webb twice, two to Wingate and one to Spartanburg. Tom Wells, hot and cold for the 'cats, lead the team as low man over the Beautiful Courses played.

The Bobcats found a new "Home" course, switching from Linville Country Club, to the recently completed Mountain Glen Golf Club in Newland. The picturesque 18 hole course in Newland promises to be one of Western North Carolina's finest.

Last year five teams participated in the WCJCC golf tournament held at the Furman University course. Gardner-Webb won the team trophy and their number one man captured medalist's honors. Lees-McRae finished last.

Returning veterans to the 1967 squad are Ken "Cotton" Carter, Barney Siegel, and Bill Biggs.

George Litton, an avid golfer himself, will coach the Linksmen with valuable assistance from president Max Chapman, math instructor Sam Travis, and ex-golf pro and now Lees-McRae student Ed Dyson.

Carter, Biggs, prepare to invade the links at Mountain Glen, Avery County's finest.

## INTRAMURALS

Intramurals promote sportsmanship and offer students an opportunity to excel in areas outside the academic curricula. The activities this year included volleyball, basketball, softball, tennis, pool, and ping pong. All teams were entirely composed by the stu-

dents themselves, while the team events were held under the direction of Mr. Jack Lytton and Mr. Jerry Kirk. Tennis was directed by Mr. Don Baker. The well organized intramural program helped to develop and promote a friendly atmosphere on campus. In volleyball, basketball, tennis, and billiards tournaments each student may find a sport to interest him, and to provide an outlet for his athletic interests and energies.

Below is typical action in girls' basketball. Boys intramurals has a host of good teams . . . plenty of thrills and aggressive games. Girls and boys alike take advantage of the opportunity to excel in activities outside the classroom. For this reason,

the Intramural program is an important part of the athletic program at Lees-McRae. Coach George Litton, Athletic Director is in charge of the over-all organization of Intramural Athletics.

Men's basketball action wages three nights a week during the winter providing ample opportunity for students to participate.

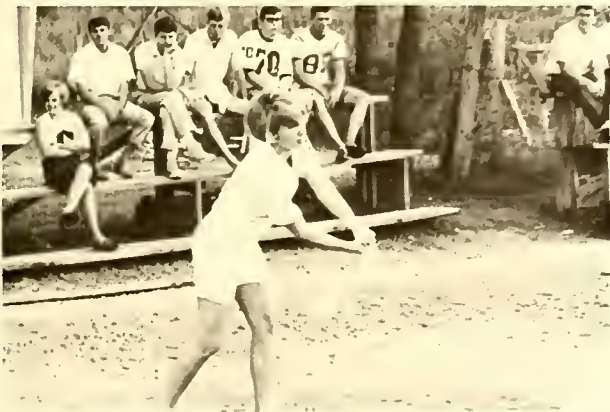

Widest spring and summer recreation activity is softball. Above, a member of one of the girls' teams slices at the ball. In the background you see the tremendous support and interest in softball. Nine men's teams were entered in the summer alone, while more teams participate in the spring.

Alice Holman goes down swinging. Her team won, however.

Susan Renegar starts her swing for the ball as pitcher Laurie Gray looks on.

Renegar changed her mind, which women often do. Unfortunately, it was a strike.

The Cheerleaders sole purpose starting from the early fall throughout the entire year was maintaining support for the intercollegiate teams and promoting school spirit and good sportsmanship among the students.

Perhaps, the hardest task for the LMC Cheerleaders was explaining by their words and actions the true meaning of school spirit. School spirit is the basic determining factor of the athletic teams' and students' success, not only in winning, but also in obtaining school pride and loyalty.

With determination to do their best, the cheerleaders, aided by the student body led cheers with vigor and enthusiastic school spirit. The LMC's athletic teams successful seasons were accredited by the teams superb ability and a loyal presentation of school spirit by some members of the student body.

# FEATURES...

Our true enrichment would be incomplete without the worthwhile but time consuming projects which are a part of our lives as students at Lees-McRae; either in searching for themes that will spark a dance to success or developing instant salesman-like qualities to promote a boost to school spirit at the annual Order of the Tower Carnival. As Autumn terminates early activities, and every student is initiated into the whirl of Lees-McRae with Rat Week, bon-fires and football games — these activities create the excitement synonymous with Homecoming.

Winter ushers in the Christmas and Valentine's Dance with the climax of the year in Spring — the annual May formal.

Members of the Order of the Tower, under the supervision of Mr. Don Baker, Mr. Lewis Hall, Mr. Lee McCaskey, and Mr. Richard Jackson, presented the annual Halloween Carnival, October 31, 1966. With a spark of excitement and a spectrum of things to do the carnival served as an evening of fun for the students and a money-making project for the clubs on campus. Those adding entertainment were: Phi Theta Kappa, Faculty Impersonations; Demostheneans, Ball Throw; Zeta Phi Fraternity, Hit the Car; W.A.A., Pitch a Penny; Sullivanian Sorority, Bobbing Apples; Eleanor Osborne Volunteer Nurses, Palm Reading; Christian Council, Cake Walk; Campbell Club, Guess the Number; ASB, Tossing Numbered Blocks; Monogram Club, Baseball Game; Green and Gold Masquers and Delta Psi Omega, Telegram Booth; Cheerleaders, Shaving Balloons; and the Baptist Student Union which served

refreshments. Sam Reed won the door prize and Diana Darr and Valerie Evans walked away with the Best Costumes Awards.

The Sullivanian Sorority and the Delta Delta Gamma Fraternity joined together to sponsor the annual Christmas Dance. "Winter Wonderland" was the theme of this most enjoyable evening. The Grand Dukes furnished the entertainment. The high point of the evening was the announcement of the freshman and sophomore Mr. and Miss Merry Christmas. The candidates were chosen on the basis of sincerity, personality and friendliness. Missy Clark and Rod Kittrell represented the sophs while Lance Sawyer and Susan Sherwood held frosh honors.

The Zeta Phi Fraternity, a new campus organization, has furnished several weekend nights of entertainment. Twice they brought the music of C. C. and the Souls for our entertainment, and they had two juke box dances.

The Sullivianians and the Demostheneans sponsored "Hearts in Bloom" as the "Soul Set" provided music for the evening. The climax of the dance was the crowning of Judy Lilly, as Queen of Hearts. Rhonda Bone was named Maid of Honor.

The W.A.A. and the Monogram Club sponsored the May Dance, the high point of the social year. Connie Brisson was crowned May Queen and Libby Hinson was named the Maid of Honor. The May Dance offered everyone the opportunity to finish the year at LMC with fond memories.

# PARKS REIGNS AS '66 HOMECOMING QUEEN...

## MENTAVLOS MAID OF HONOR, JOHNS, HARE, HINSON, SHERWOOD, AND TROTTER ON COURT...

Despite rain and thick fog which caused postponement of the football game, over two hundred alumni attended Lees-McRae's 36th Homecoming reunion. The Class of '41 had the most members present at their reunion, but almost every class had some representatives. The Classes of '36, '39, '55 and '65 ranked the Class of '41 in attendance.

The visiting alumni came from as far as California, Texas and Arizona to join in the exchange of old memories.

Martha Guy, Class of '41 and Alumni Association President, presided over the meeting of old friends and acquaintances. The Alumni Association is the organization that controls the activities of the visiting alumni. The association consists of all members from the Class of 1931 through 1965.

After cancellation of the Homecoming game the Alumni had lunch in the Pinnacle Inn dining room. This preceded the afternoon's activities and the evening's dance.

The Homecoming Dance was under the guidance of ASB President David Haynes and his dance committee and the Homecoming Dance Committee of Georgia Giltenboth, Herman Underwood, Joyce Shumate and Martha Johnson, secretary to the Alumni Affairs Committee. Moses Dillard and the Dynamic Showmen furnished the music for the dance.

Carol Parks of Ramseur, North Carolina, the Zeta Phi Fraternity representative, was crowned Queen of Homecoming 1966. Maria Mentavlos of Gastonia, N. C., Monogram Club representative, was the Maid of Honor. The other members of the court were Joyce Hare of Durham, N. C., representing the Bobcat Tales, Suzanne Johns, Winter Park, Fla., representing the Sullivanian Sorority, Elizabeth (Libby) Hinson, Lexington, N. C., representing the Demostheneans, Nancy Trotter, Charlotte, N. C., sponsored by the W.A.A. and the Ontaroga representative Susan Sberwood of Chapel Hill, N. C.

A week of continuous hard work carried on by the Sullivanians and Demostheneans proved successful as the annual Valentine Dance, "Hearts in Bloom," got underway February 11.

Decorations committee headed by Robbie Robertson, used the traditional colors of red and white making "hearts and flowers in bloom" throughout the auditorium.

There was decorative cookies, candy, and tasty sandwiches supplied by the refreshment committee headed by Bets Gunter.

The publicity committee had eye catching signs around the campus, informing students about the dance. Much of the hard work was done by the ingenious Jean Hitchcock.

Nine O'clock was the bewitching hour when the Queen and her court was presented. The pretty Miss Judy Lilly was crowned Queen by Mr. McCaskey and the charming Miss Rhonda Bone was chosen as the Queen's Maid of Honor. The lucky girls were given red roses by Ken Carter. A dance for the Queen and her court followed the crowning.

The music was provided by "The Soul Set." They gave good entertainment which added to the students' enjoyment.

On May 6th each student walked the plank to a "Tahitian Holiday." This festive occasion found everyone on an island surrounded by volcanoes, palm trees, and beautiful flowers. Each table had a waiter, dressed in the native costume, to serve the Tahitian punch and other delights. All of this set the mood for the 1967 May Dance. This dance is sponsored each year by the WAA with Susan Renegar as President, and the Monogram Club headed by Mike Profitt.

Committees were set up for the major projects. Coni Ross was the chairman of Refreshments, which were provided during the entire dance. Ann Bollinger headed the Publicity Committee, placing many unique signs over the campus. Elsie McGowan's committee

had the task of selling the tickets. The Decorations Committee under the supervision of Lucy Westover had many jobs to fulfill, including the making of the many festive decorations.

The 1967 May Queen was Connie Brisson from Bladenboro. She is a member of Sullivanians and was on May Court of 1966. Her maid of Honor was Libby Hinson from Lexington. She belongs to Sullivanians and was a member of Homecoming Court 1966. The other sophomore girls on the court were Robbie Robertson, Key West, Fla., and Kathleen Smith from Atlantic Beach, Fla. Chosen to represent the freshman class were Rhonda Bone, Neptune Beach, Fla., Melinda Buchanan, Minneapolis and Kathy Foster from Gate City, Va.

The Christmas spirit was high with snow all around to head each student into "Winter Wonderland", the theme of the Yuletide dance. This festive event was sponsored by the Sullivanian Sorority and Delta Delta Gamma Fraternity headed by Rod Kittrell and Carol Collins. The publicity committee, under the direction of Sue Renegar, placed informative and eye catching signs over campus which greatly aided to the success of the dance. Suzanne Johns headed the refreshments committee, providing punch and cookies during intermission. The decorations committee, with Elsie McGowan and Nancy Trotter as co-chairmen, spent a great deal of time gathering the greenery and making the various decorations. Everyone from both organizations assisted in the actual decorating of the auditorium. The music was provided by the "Grand Dukes".

The selection of WHO'S WHO AT LEES-McRAE has become a proud tradition in itself . . . . The yearbook staff scrutinizes the eligible sophomores closely and presents their names on a ballot to the 39 members of the faculty. In case of ties for the ninth and tenth places votes are run off again to determine the winners. The grade point average eliminates many sophomores and their participation in two or more activities make others ineligible. Then campus leadership and citizenship narrow the top sophomores down to the truly outstanding sophomores on campus.

# ACTIVITIES

Lees-McRae is noted for its friendly spirit as well as its academic achievements. After hours of diligent study the students are often involved in various activities, which help to make each and every member of the student body a well rounded individual. The first days of campus activities are filled with registration aided by Sullivanians and Demostheneans, which are related service organizations on campus. Throughout the year the Bobcat Cheerleaders work enthusiastically to maintain spirit and sportsmanship. On the days of games the girls boost fans to aid in the spirit. Woman's Athletic Association and Monogram Club are related organizations, which also present the ideals of good sportsmanship. Christian Council serves as the religious service club on campus. The members work throughout the year to present vespers and aid in services to the campus and community. The Fellowship of Christian Athletes is composed of the outstanding athletes on campus. The

members are concerned with the ideals and aspects of all athletes and members of the student body. Delta Psi Omega is an honorary national society for outstanding members of the dramatic club. A new organization on the campus is the Eleanor Osborne Memorial Chapter of Hospital Volunteers, which in addition to hospital work encourages school spirit among the students. Phi Theta Kappa is the honorary scholastic fraternity. Membership is based on outstanding academic achievement on the Junior College level. Leadership is the basis for membership in "Order of the Tower", the members aid in special functions serving as marshals and hosts. The Bobcat Tales is the College newspaper, which periodically reports the functions and activities of the college. The Ontaroga, the college yearbook, is the annual publication which presents all the happenings of the year at Lees-McRae.

## ASB LABORS TO PROMOTE SOUND,

David Haynes, ASB President

The Associated Student Body Parliament is the governing body of the Associated Student Body of which every student automatically becomes a member when he enrolls at Lees-McRae. The Parliament is made up of representatives elected from both classes. The purpose of the ASB, as stated in the constitution drawn up by the students is "to unify the student body in the common goal for self-government in order to assume responsibility in dealing effectively with matters of student affairs; to perpetuate the best traditions of the College; and to strengthen the cooperation among students, faculty, and administration." The ASB Parliament, which meets weekly, is in charge of all assemblies, has general supervision of campus activities, and suggests ideas to the administration for improvements in campus life. The ASB President serves on the Student Life Committee with members of the administration.

David Haynes led ASB Parliament this year as president, Dennis Shockley presided as vice-president, Robbie Austin as treasurer, and Maria Mentavlos as secretary. The purpose of ASB is to unify the student body in self-government, promote school activities, strengthen co-operation among students, faculty, and administration.

Student Parliament: (seated l to r) Barry Lambert, Nancy Trotter, Wilma Knight, Robbie Robertson, Brenda Hollifield. (Standing l to r) Troy Rexrode, Ben Womack, Thurlow Smith, Art Groom, Tommy Griffin, Herman Underwood.

Among the many activities ASB participated in were: Freshmen Orientation which included all of ASB; Rat Week and court was chair-  
 maned by Brenda Hollifield, Homecoming was headed by David Haynes with help from the Alumni Association, the popular movie series co-  
 chairmaned by Thurlow Smith and David Haynes, the Student Director were edited by Nancy Trotter and the Associate Editor was Herman Underwood.

Among these projects the ASB promoted the "hour-change" for girls' dorm hours which was one of the biggest projects accomplished this year.

The Associated Student Body Parliament spearheaded many new projects this year, all leading to an enjoyable and successful year for Lees-McRae students.

The main purpose of the Order of the Tower is to assist the administration in a leadership capacity and to promote the general welfare of the college. Being comprised of twelve outstanding sophomores, it achieves its main goal of advising the faculty and motivates a close student-faculty relationship.

In addition to the annual Halloween Carnival, which helps provide money for the various clubs on campus, the Order of the Tower undertook the project of helping the administration re-write the Green and Gold Handbook. The Order of the Tower also assisted the administration on registration day, and served as marshals at various school functions.

The Order of the Tower visited several other college campuses to study the student governments and their operations. They also studied the framework of extracurricular activities and functions.

Toward the close of the year, the Order directed the annual honors and awards night, and the final service of the club to be taken over by twelve new members when they serve as marshals at graduation.

## PHI THETA KAPPA

### Wisdom, Aspiration, Purity . . .

The Greek letters representing Wisdom, Aspiration, and Purity compose the name of the junior college's only national scholastic fraternity, Phi Theta Kappa. Lees-McRae is a member under the chapter Beta Tau. Students must have a "B" average and must possess good moral character in order to be eligible for fraternity membership.

Because it is an honorary society, the members were rewarded at a number of banquets. New sophomores were elected at the close of the first quarter, while new freshmen members were elected after tabulation of their first semester grades.

The club sponsored a booth at the Halloween Carnival in which students did imitations of faculty members. The club comprised a report on the Edgar Tufts Memorial Association and entered it in a national contest. Each year the club awards a scholarship to a deserving, rising sophomore.

## THE CHRISTIAN COUNCIL

The Christian Council is the steering body of the Campus Christian Fellowship. The purpose of the Council is to stimulate thought, study, service, worship and fellowship. The goal of the Christian Council is to challenge the college community to understand and commit themselves to the way of Christ.

Chaplain Phillip Evaul, better known to the Council members as the "Chief" was a tremendous source of ideas and a constant guide and advisor. Barry Lambert, the Council's president, received valuable assistance from Bobby Julian, vice-president, Pris Carey, secretary and Linda Foust, treasurer.

Most of the Council's work was done in committees. The purpose of the Fellowship Committee was "to promote Christian Fellowship and provide recreational opportunities for students." Under the leadership of Ron Fowler, the Fellowship Committee sponsored hikes up Beech Mountain, the cake walk at the Halloween Carnival, and co-ed volleyball team.

The aim of the Worship Committee was to promote a sense of Christian worship. The Worship Committee with Bobby Julian as chairman assisted in Chapel and required vespers programs. The most outstanding project of this committee was Religious Emphasis Week. Our speaker was Rev. William A. McCutchin, a former Bible instructor at Lees-McRae.

Under the leadership of Robbie Robertson the Service Committee strived "to furnish opportunities for everyone to express their concern for others." The service committee sponsored a study hall conducted in the basement of the Presbyterian Church four nights a week, the Big Brother and Big Sister program at Grandfather Home for Children, and the hospital visitation program.

The aim of the Publicity Committee was "to make known the activities and functions of the Council." Peggy Roberts and her committee did a wonderful job in making known the Council's planned activities.

The goal of the Program Committee was "to plan interesting and inspiring programs for voluntary vespers." Under the leadership of Bill Rankin the Program Committee sponsored trips to Grandfather Mountain, Linville Falls and Dutchman's Falls. Other interesting and outstanding voluntary vespers were the King College Choir, vespers at the Holston Presbytery Camp and Wilcat Lake, and a movie, "Dust or Destiny."

Other special committees were appointed at various occasions. Ellen Schaffer served as Chairman of a Christmas Food Drive for four needy families in the Banner Elk community. Linda Foust was chairman of a special committee appointed to work for two scholarships for foreign mission students. The college, under the guidance of the Christian Council, supported students in Mexico and Korea. The Christian Council was also a co-sponsor with Churches of the surrounding area in the showing of the film "The Restless Ones."

# WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association is one of the earliest organizations that was formed at Lees-McRae College. Its main objective is to foster interest among women on campus in various aspects of athletics such as intramural programs. Sportsmanship, leadership, dependability, good character are all essential qualities that the club embodies.

Eligibility into the club is based on a person's character, participation in one half of the college intramurals, and must be voted on by three-fourths majority vote.

**Mrs. Joyce Baker**

The officers for this year were Susan Renegar, President; Karen Kelly, Vice-President; and Liz Snyder, Secretary-Treasurer. The club started off their year with the selling of mums at the Homecoming game.

During the Homecoming Season, the club selected Nancy Trotter to represent it as a member of the Homecoming Court.

Some other projects were selling football and basketball programs; sponsoring the "Casino Corner" at the Halloween Carnival; selling pizzas with the Sullivanian Sorority, the money going to the Osborne Memorial Fund; and aiding in sponsoring a bus for the basketball tournament.

During the Spring Semester, the club, along with the Monogram Club, was honored in sponsoring the May Dance, the theme of which was "Tahitian Holiday." The Damascans, a band from Charlotte, provided the entertainment. Acknowledgements to ones who have been of great assistance to the club go to Mrs. Donald Baker, Sponsor, Mrs. Jack Lytton, Advisor, and Miss Sandra Rigsbee, Sponsor during second semester.

## W.A.A. PROMOTES GIRLS' ATHLETICS... SPORTSMANSHIP

The Monogram Club is the largest organization on Lees-McRae's campus. Eligibility to this club is granted to those boys who earn a letter in intercollegiate sports at Lees-McRae. The purpose of this club is to foster wholesome athletic interests and a more general student participation in athletic activities, and to set a high standard of sportsmanship among the students of Lees-McRae. The members are leaders on campus by setting good, clean, and healthful standards of living. This club is also known for the academic standing of its members.

Each year the Monogram Club endeavors to purchase a plaque for eligible sophomores as a token of appreciation to those who serve Lees-McRae and the letterman's organization well. The Monogram Club also sells refreshments at varsity contests, runs the pool tables in the Student Center and co-sponsors the annual May Dance with the W.A.A.

# THE SULLIVANIAN SORORITY

Organized in 1934 and named in honor of Mary Mildred Sullivan, a benefactor of Lees-McRae College, the Sullivanian Sorority is the leadership organization for women on campus. The purpose of the club is to develop personality, character, and leadership, through fellowship and service. At the beginning of the school year, the sorority was busily engaged with registration and helping orient the freshmen to Lees-McRae. Soon afterwards, a tea was given for the freshman girls in order to help them get to know other members of their class and further acquaint themselves with the activities of Lees-McRae. Later in the year a pizza sale was carried out in cooperation with the Women's Athletic Association, and proved to be a worthy endeavor. Next on the list of the club's activities, was sponsoring the Christmas Dance which was soon followed by the Valentine Dance. A great many hours of hard work and thoughtful planning made these dances the successes they were. In order to raise money to help pay for the Valentine Dance, the club sponsored a sandwich sale in the girl's dorms, during exams. Because of the response of the students, the sale was a success. During the spring, the sorority, along with the Christian Council, sponsored a movie which was shown in the A. C. Chaffee Center auditorium. This year's officers were Carol Collins, President; Rita Baucom, Vice President; Suzanne Johns, Secretary; and Ellen Schaffer, Treasurer. Miss Marilyn Fillers has been the sponsor, and without her tireless efforts and needed advice the club could not have functioned properly. Assisting Miss Fillers was Miss Sandy Brown who was a graduate of Lees-McRae and previously a member of the sorority.

Although it is not possible to mention each member of the organization and what she did, it is possible to say that the girls were cooperative and hardworking, and that they made the club a success. It was through the combined efforts of all the members that the Sullivanian Sorority was able to function.

## HAS EVENTFUL YEAR...

The Demosthenean Club or the Delta Delta Gamma Fraternity is the men's leadership organization on campus. The name Demosthenean is derived from the name of the great orator and leader, Demosthenes.

The purpose of the club is to strive toward developing young men culturally, spiritually, and academically by encouraging them to participate fully in various collegiate activities and to recognize men who have been leaders in these activities.

The club elects members twice annually. Sophomores are elected the first semester and only freshmen are elected the second semester. They must have a "C" average to be elected.

During the year, the club engaged in many activities. The club sponsored a booth at the Halloween Carnival in which a ball throwing contest was held. It co-sponsors the Christmas and Valentine Dances. The club annually awards a scholarship to a deserving, rising sophomore.

## “TALES” IN TWENTIETH YEAR . . .

Troy Rexrode, Editor

Published monthly by the students of Lees-McRae, THE BOBCAT TALES covers school events in news articles, features, and editorials. The newspaper, under the direction of Mr. Carl Herckner, has given interested students training in management, advertising, and journalism.

Through the efforts of the Editor Troy Rexrode and the advisor, THE BOBCAT TALES has maintained high publication standards and has attempted to establish a good journalistic style at Lees-McRae.

The BOBCAT TALES, the college newspaper, was first sponsored by the Demostheneans. Calvin Criner, who taught at LMC from 1955 until 1961, edited the first edition of the Tales as a student in 1942. It succeeded the earlier campus newspapers, the Lem Me C News and the Mountain-Ear. Interrupted by the war, its place being taken temporarily by the Cabbage Patch, sponsored by the Sullivani-ans.

With the end of the war in 1947, the BOBCAT TALES again appeared on campus, although appearing in an informal pamphlet-form. At this point an immensely overtaxed filing system broke from the stress as no record has been retained concerning the sponsors of the '47, '48, and '49 issues.

With the coming of the fall semester of 1950, Miss Annie R. Morre, a modern language instructor and librarian, assumed the responsibility of Faculty Advisor. She served in this capacity for two years when succeeded by Dr. Laura Bland. In 1953, Miss Bland was joined in co-sponsoring the Tales by Mr. Ivan Stafford.

Beginning in 1954 and extending through 1958, an English and Psychology professor, Dr. Mary Eliason, worked in this rather thankless post of advisor. She relinquished her position in 1959 to Mr. Eugene A. Fernette, a professor of journalism.

The next year, 1960, marked the return of Mr. Donald R. Baker to the Lees-McRae campus. After receiving his A.A., he attended the University of North Carolina's school of journalism from September 1957 through January 1959. He then received his B.A. from East Tennessee State University. Afterward he served Lees-McRae as Dean of Men (for two years). He now teaches art, directs publicity and public relations, and Alumni Affairs. He was joined in 1963 by Mrs. Max C. Chapman as Tales co-sponsor.

Miss Eleanor Osborne, the Assistant Director of Student Affairs, was granted the not so "coveted position" during 1964.

In 1966, Mr. Carl Herckner stepped into the limelight as official Tales consultant. As if this position were not sufficiently time consuming, he also fulfilled the multitude of duties as Assistant Director of Student Services.

The success of last twenty years, offering tremendous variety, has been due in great part to the devotion of these dedicated persons. We herein pause to recognize, and to offer a sincere "thank you" for a splendid past. All the while we are hoping, dedicating ourselves to, and foreseeing equally as bright a future.

# THE ONTAROGA STAFF

We of the 1967 ONTAROGA Staff have tried to assemble the facts and pictures that will be remembered in the future. We hope that our collection from the VORTEX of college life at Lees-McRae will be a help to each student in remembering this year.

The persons pictured on this page, and those listed as not pictured, have been diligent and tireless with their help on the ONTAROGA. Jack, Georgia, Hope, Jackie, Laurie, Sylvia, Beth Anne, Sylvia and Rita. Frank, Suzanne, Cathie, Elsie, Nancy and Robbie have come through in times of difficulty and trouble.

Any errors or omissions found in the ONTAROGA have, we hope, been overshadowed by its many accurate accounts.

A special thanks must go to Mr. Baker for his unending efforts to make the 1967 ONTAROGA the best. Also we must thank Wily Bobcat as color consultant and Sam as campus news informant.

## DELTA PSI OMEGA

The Delta Psi Omega is a national honorary fraternity and is a recognized division of Alpha Psi Omega, the dramatic fraternity for four year colleges and universities. The local fraternity is designated as Cast 139 of the Delta Psi Omega and received its Charter September 18, 1940. Membership is open to students in the Green and Gold Masquers who qualify according to the national standards. Officers in the honor fraternity are Joyce Williams McDaniel, president, who gained entrance into the fraternity by co-directing Roman's three-act play "Under the Yum

Tree" in May, 1966. She also assisted with the production of Thomas' "A Child's Christmas in Wales", and acted in Satre's "No Exit" as the supporting actress of Inez Serrano. The vice-president is John Sherman Barrett who has directed the sound and lighting for all of the productions Delta Psi Omega and the Masquers have presented for the past two years. Betty Pritchard, the fraternity secretary participated in "A Child's Christmas in Wales", was propmaster for "Under the Yum Yum Tree" and was stage manager for "No Exit". Ev Halsey, the treasurer for both dramatic organizations on campus has assisted with the production of all the fraternity's productions for the past two years.

Shown here are the characters in Delta Psi Omega's production of "No-Exit", a one-act play by Jean-Paul Satre. Front row left to right are Richard Browning and Mary Bess Riley. Back row left to right are Bill Kimmons and Joyce W. McDaniels. The play was the fraternity's fall production.

OFFICERS OF DELTA PSI OMEGA AND GREEN AND GOLD MASQUERS (l to r): Joyce W. McDaniel, President of Delta Psi Omega; Evalynn Halsey, Treasurer of Delta Psi Omega; Herman Underwood, President of Green and Gold Masquers; John Barrett, Vice-President of Delta Psi Omega; Betty Pritchard, Sec. of Delta Psi Omega; and Charlotte Wolfford, Sec. of Green and Gold Masquers.

Joyce W. McDaniel, Mary Bess Riley, and Richard Browning, seem to be rather puzzled during the production of "No Exit".

Bill Kimmons and Richard Browning are seen in the one act play of "No Exit".

Other Delta Psi Omegians who have contributed a great deal to dramatics at Lees-McRae College are Mary Bess Riley and Herman Underwood. Mary Bess was a co-director of "Under the Yum Yum Tree" and played the major role of Estelle Rigault in Sartre's "No Exit". She also had minor roles in other productions. Riley has also served as the president of the Green and Gold Masquers this past year. Herman Underwood has served as vice-president for the past year and directed the publicity for all productions during the past two years. His publicity for "No Exit" featured many news releases, photos and unique programs which were printed on paper towels. Underwood was the set designer for "Under the Yum Yum Tree" and "A Child's Christmas in Wales." Others who hold membership in the Delta Psi Omega are David Haynes who was the narrator for "A Child's Christmas in Wales", and David Campbell, Troy Tate Rexrode, Kenneth Ruff. Two sophomore Omegians who were inducted in the spring are Richard Browning and Kendra Donalson. Richard Browning played the lead role of Joseph Garcin in "No Exit" and had minor roles in other productions and assisted with the properties in "Under the Yum Yum Tree". Kendra Donalson assisted with the production of the fraternity's Christmas production of "No Exit".

## GREEN AND GOLD MASQUERS

The drama club, known as the Green and Gold Masquers was first organized in October of 1932. Membership is open to all students interested in acting or in assisting in the production of plays. The Club's officers for this past year have been Mary Bess Riley, president; Herman Underwood, vice-president and Charlotte Wolfford, secretary. Ev Halsey served as treasurer for the Masquers, as the treasuries of both drama organizations are combined. Freshman who contributed a great deal to the club and the entire school were: Bill Kimmons, Charlotte Wolfford, and Wendy Hawkins who acted in several productions. Mike Herbaugh, not only acted but was the props and costume master for "No Exit." Thurlow Smith assisted with the publicity and ticket sales for "No Exit." Stewart Farquhar directed "No Exit".

Fifth row: Barre Spencer, Johnny Turner, Jim Carmichael, John McDaris, John Sproul, Morell La Rue, Jim Daugherty, Doug Choate, Ronnie Taylor, Gerald Rouse.

## LMC CHORUS

The Concert Choir under the direction of Miss Mary Crawford has musically contributed very much to our Sunday evening Vesper services. They presented to the student body numbers by such artistic composers as Beethoven, Bach, Handel, and Mozart. At Christmas the choir presented "The Prayer of Saint Joseph" composed by Miss Mary Crawford to the Banner Elk Presbyterian Church and to the student body. Barry Lambert was the narrator.

The most notable event of the year for the choir was obtaining beautiful new choir robes of our school colors to replace the old maroon robes. The choir received these robes through the help of Colonel Chapman, Mr. Ted Ledford, and Dr. Robert Newman. Also this year the choir was host to the King College Choir who presented a program to the student body. In the spring the choir toured in various area cities.

The president for the Concert Choir this year was Barry Lambert. The two accompanists for the choir were Miss Martha Underwood and Miss Libby Wells.

## CRAWFORD, CHORUS, WEE QUEIR HAVE BUSY YEAR

The Wee Queir under the direction of Miss Mary Crawford has worked many hours this year to provide the student body with selections by such artistic composers as Palestrina and Bach.

The Wee Queir was formed last year by Miss Crawford. It contains nine singers selected from the concert choir. Each member was selected according to his or her music ability. Most of the members have been singing for five years or more in high school and church choirs.

Of the nine singers there are two basses, two tenors, two altos and three sopranos. This year alternates were selected to take the place of regular members in such cases as necessary. The regular members this year are Barry Lambert and Morell La Rue, and John Sproul, basses; Richard Browning and Garland Harrow, tenors; Jean Hitchcock and Elaine Austin, altos; Melinda Pickett, Gail Chapman, and Peggy Roberts, sopranos. The alternates for this year are Gerald Rouse, tenor; Charlotte Wolford, alto; Lucy Westover, soprano.

In the fall the Wee Queir sang for the Holston Presbytery Conference in Johnson City, Tennessee. In the spring they toured with the concert choir in various area cities.

Miss Mary Crawford, Director

WEE QUEIR (l-r) Elaine Austin, Morell LaRue, Jean Hitchcock John Sproul, Peggy Roberts, Barry Lambert, Gail Chapman, Garland Harrow, Melinda Pickett, Richard Browning, Charlotte Wolford, Ronnie Taylor.

John Barrett, reporter; Tommy Holcomb, treasurer; Drex Rogers, secretary; Tommy Griffin, vice-president; Bill O'Donnell, president.

Bob McCall has been in demand in the surrounding area as a poet and folk singer and plans to make a record this summer.

In the field of drama John Barrett excelled as chief technical director and was elected as a member of the national honorary fraternity for drama students.

Drex Rogers works out faithfully with weights in hopes of someday attaining the Mr. America title.

This year a few of the clubs campus projects were: sponsoring the winning candidate for the Homecoming Queen, helping the new Dean of Men move into his home on Faculty Ridge, placing a T. V. antenna on top of Tate Hall for Mrs. "W", holding a dance in the Pinnacle Room of the cafeteria, and placing a "juke-box" in the cafeteria for the entertainment of the students.

## ZETA PHI

The Zeta Phi fraternity has as its goal, in harmony with that of the college, to provide training and discipline of the individual who, in seeking an education, desires to make of himself a useful member of society, possessing knowledge, trained skill and capacity for accomplishment. The fraternity as a group organization seeks to teach men how to live and work together, striving by precept and example for the personal development of the individual in the training of mind and body. It carries forward correct living and individual development.

This year the Zeta's have been active in the various aspects of campus activities. Ron Powers and Jim King were elected co-captains of basketball and both added greatly to the many Bobcat victories. Barry Farmer was a great asset to the football team, while Harry Herckner helped Mr. Baker's net men as they went to the tennis finals in Florida. Tommy Holcomb lettered in track his freshman year and is back to help the team again this year.

The Zeta's proved active in intramurals as they won the Banner Elk opens in co-ed volleyhall. The club sponsors a team for each intramural sport offered on campus.

The club contributes to school leadership having Tom Griffin as a representative to Parliament and Buddy Smith as vice-president of the Freshman class. Proctor Harvey did an outstanding job as vice-president of the Freshman class last year.

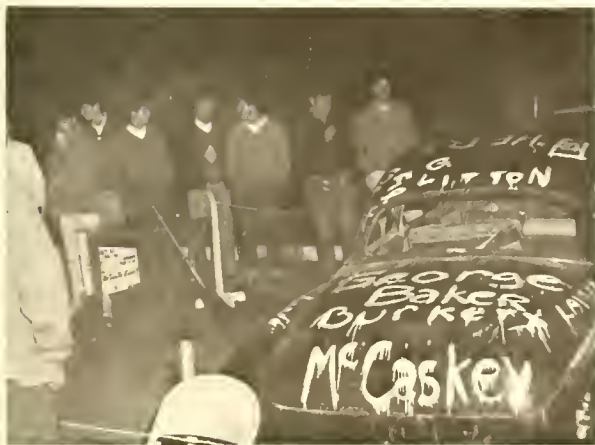

The Zeta Phi Car Smash was the center of activity at the Halloween Carnival sponsored by the Order of the Tower. The car was adorned with the names of the illustrious campus leaders and faculty.

Front Row l to r: Howard Pace, William J. Bateman, Jr., Wayne Moore, Randy Smith. Second Row l to r: Brian Thompson, Larry Zachary. Third row l to r: Jerry Cole, Robert Hall, Allison Jolly, Bruce Hunter, Skip Wilson, Marion Hair. Fourth row l to r: Mike Mock, Barry Farmer, Bob

Resounding sledge hammer blows pierced the chilled silence of the night air.

The "Big Smash" was the Zetes' booth where a chevrolet was demolished by sledge hammers, as each student took wreck, for a nominal fee.

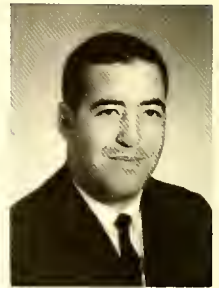

## FELLOWSHIP OF CHRISTIAN ATHLETES FORMED THIS YEAR . . .

The Fellowship of Christian Athletes was organized on campus in the spring of 1966 under the leadership and desire of student Ronnie Rossello and Coaches George Litton and Richard May. This fall the organization got off to a good start at fall football camp and continued throughout the school year.

Under Rossello's leadership first semester and Bob Julian's second semester the huddle, term for the group, flourished and helped many young athletes in campus and their Christian faith.

Coach Jerry Kirk sponsored the huddle and gave the huddle sound advice and guidance.

During the fall the huddle sponsored a dance and in the spring undertook projects to send representatives to the area FCA Conference in early June.

FCA Members attend weekly meetings in new club office in the New Men's Dorm. The group varies in size, but usually the sessions have large turn-outs.

First attempt to organize club inaugurated last year under student Ron Rossello, Coaches Richard May and George Litton.

Dean Smith, whose UNC TARHEELS won the ACC and earned him the honor of 'Coach of the Year', spoke to the LMC student body. Smith, active in the work of the FCA, was sponsored by the local campus chapter. Pictured at the President's home after the address are: Col. Chapman, Smith, John Lotz, UNC Assistant Coach, and George Litton.

## ELEANOR OSBORNE MEMORIAL CHAPTER OF HOSPITAL

E.O.M. Hospital Volunteers receive training under hospital officials and meet regularly for training sessions.

The Eleanor Osborne Memorial Chapter of the Hospital Volunteers are shown at their organizational meeting in September.

The Eleanor Osborne Memorial Chapter of Hospital Volunteers was created at the beginning of this academic year through the efforts of the LMC Campbell Club. It serves as a living memorial to the late Miss Osborne, Assistant Director of Student Affairs at Lees-McRae.

The chapter is sponsored by Mr. Jessee L. Maghan and Mrs. Robert G. Newman. Miss Peggy Stubbs, Director of Nursing at Charles A. Cannon, Jr., Memorial Hospital serves as hospital representative to the group. Charter membership of E.O.M.C.H.V. consists of 36 girls of the freshman and sophomore classes, many of whom are veterans of hospital volunteer work. The 1966-67 chapter officers are Lucy Westover, President; Meg Brown, Secretary; Prissy Cecil, Vice-President; and Cathie Williams, Treasurer. After pledging their dedication and willingness to serve, the girls strive to live up to the observation

that a kind gesture is worth a thousand words, while at the same time maintaining the dignity, courtesy, and consideration expected of them as affiliated with the field of professional medicine.

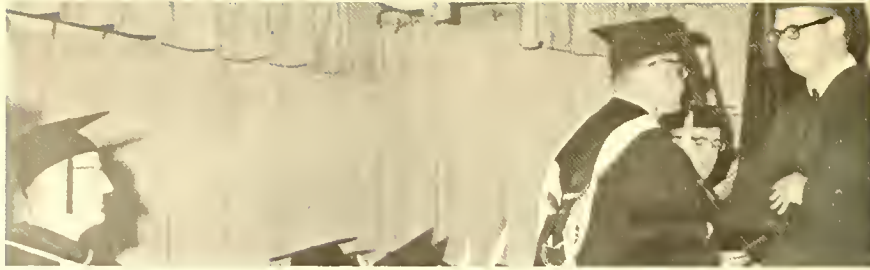

Each girl has a schedule of the desired times she wishes to work during the week. In addition, activities outside the actual hospital work include films, socials, speakers, and tours of other hospitals and places of interest.

As the year progresses, the Chapter hopes to receive new members, as well as joining with other organizations on campus in the promotion of school functions. Mr. Jesse Maghan, LMC instructor, was instrumental in launching the organization.

# CLASSES...

The chance to question... the desire to excel... in shaping our attitudes and values the faculty was a vital part of the VORTEX of the college as it spun us into life with a stronger basis for living.

The character and reputation of a college, its standing in the educational world, the measure of its influence on those who live and study on its campus are determined in large measure by the dedication and devotion of its faculty. For us, as for many generations of Lees-McRae students, this spirit and quality of dedication and devotion are most fully expressed in our administration, staff, and faculty of 1966-67.

Added to the physical growth of the campus is the intellectual growth of each individual. New ideas are received, some conflicting with old standards, some upholding previous knowledge. No longer is our mental world bound by the small area of our home environment, but we encounter new ideas to stimulate new growth and expansion. Our academic world is involved in a new era of maturation through contact with intellectual stimuli.

Lees-McRae provides sound academic curricula within the plan of a junior college for the purpose of developing Christian leadership. A college education should involve four elements — development of moral integrity; a liberal education to give a richer life, broader understanding,

and to bring citizenship into proper perspective; acquisition of technical knowledge for professional leadership; development of physical fitness. Lees-McRae tries to provide all four, with interest in students as individuals — not merely so many minds to educate.

September 1966 saw familiar fresh faces of "wise fools". Many arrived early to assist the administration with Registration and Orientation. Before everyone settled into the study routine the sophs sponsored a first at the "Campus in the Clouds", a "Powderpuff Football game." It proved profitable as well as a source of acquainting the freshman with the antics of their upperclassmen.

This year has been all of many phases. It has been for many a first glimpse at reality. For some it has been a year of opportunities to gain character from responsibility; for others it has just been toil-some trying to get enough QP's to graduate.

Nevertheless each sophomore will carry with him each day of his two year career at Lees-McRae.

Each person will carry remembrances of the quaint surroundings of the campus, the fountain, the majesty of Beach and Grandfather Mountains, and many other personal dreams.

## FRESHMAN CLASS

As each day brings us closer to being sophomores, we the class of '68 review our first year at Lees-McRae and look toward the future. Once the newness of being Freshmen in the college had worn off we then became personal rats of the Sophomores for "Rat Week".

Thurlow Smith, President, First Semester

Lance Sawyer, President, Second Semester

Following "Rat Week" Homecoming Weekend was upon us when Freshmen candidate Susan Sherwood ran for Homecoming Queen. However, the weekend was saddened with the death of our classmate Kassie Brunson, from Charlotte.

One of the most successful projects of the year was the popular movie series which included "The

Carpetbaggers" and "The Sandpiper."

The Freshmen have experienced mixed emotions of excitement and homesickness, however in some way matured a little through the guidance of "The Campus In The Clouds."

# ADMINISTRATION AND FACULTY . . .

Lees-McRae College believes that a Christian education is the highest goal of the college. A Christian environment offers each student the opportunity to strengthen his ideals and to add immeasurably to his intelligence. The "Campus in the Clouds" has an atmosphere that is conducive to serious study and encouraging to an active extracurricular life. The faculty endeavors to offer to each student personal friendship and advice which will aid them in the course of their studies.

A faculty of 34 members and a staff of 19 help keep the atmosphere of LMC friendly and academic. The two groups combine to meet the challenges of the changing world which the students of LMC must face in the future, as good and productive students.

# OUR PRESIDENT

## COLONEL MAX C. CHAPMAN

Colonel Chapman assumed the duties as President in August of 1961. The winner of the Legion of Merit and Bronze Star Medals, Col. Chapman came to Lees-McRae from Washington after he retired as the

assistant to the Director of Naval Intelligence for Marine Corps matters.

Colonel Chapman, a graduate of Clemson College, also attended the Marine Corps Command and Staff School and the British Imperial Defense College of London, England.

Below, left: Col. Chapman accepts a grant from local Sears Roebuck Representative, M. W. McMillian of Boone. (below) Col. Chapman presents the scholarship award to the rising sophomores with the highest average in the freshman class.

The climax of a busy and eventful year is illustrated as Colonel Chapman presents the diploma to the LMC graduates during graduation exercises.

**DISTINGUISHED GUESTS AND SPEAKERS AT FOUNDER'S DAY PROGRAM.** L-R: Miss Martha Guy, President of the Lees-McRae College Alumni Association and member of the Board of Trustees of Cannon Memorial Hospital; Rev. M. M. Foust, member of the Board of Trustees; Dr. Lawson Tate, Medical Director of Charles A. # DIRECTOR, ADMISSIONS, STUDENT SERVICES

Leroy H. McCaskey, Director of Student Services, B.S. Tennessee Polytechnical Institute.

Under the supervision of MR. LEROY McCASKEY, the college enrollment has continued to increase each new academic year. Through his tireless efforts for the betterment of the student body, he has aided in varying the student activities and making student life more enjoyable. MR. CARL HERCKNER, in his first year as an assistant director of student services, was previously Dean of Men. He assists Mr. McCaskey in the supervision of student activities. MRS. MILLIE WISEMAN became registrar for the college in 1965 after holding the position of secretary to the registrar for the college in 1964. MISS BETTY J. YANCEY first taught secretarial science at LMC in 1965 and took the position of Dean of Women in the fall of 1966. In his first year as Dean of Men, MR. ROBERT L. GEORGE has proven a valuable asset to the administration and welfare of Lees-McRae men students. Mr. McCaskey was appointed Director of Admissions in the fall of 1962. Aside from being Director of Admissions he accepted the post of Director of College Relations in 1963 and Director of Student Services in 1964. Graduating from Tennessee Polytechnical Institute, Mr. McCaskey came to Lees-McRae after teaching high school in Georgia. Admissions, recruitments, and student services are included in the various activities of his office.

The opportunity to investigate and question . . . small classes, and after class discussion groups, afford the student an excellent opportunity to learn.

Individual attention . . . personal attention by each instructor in small class situations provide the student the opportunity to learn. With the instructor's help and the student's incentive and motivation, many "locked doors" succumb and fall to the ever-persistent desire to learn and to be taught.

## CURRICULUM . . .

The faculty and staff are dedicated to the task of education. The administration strives to provide leadership during a period of great expansion and change in this modern age. The staff administrators labor to create a better college family and is dedicated to a friendly Lees-McRae.

A well-qualified faculty of 34 members devote their time and talents to the student body, both in the classroom and in personal conferences, enhancing the academic atmosphere with excellent relations among instructors and students. These people assist the college in planning an academic program which will train the intelligence, strengthen the body, and provide a rich spiritual and social life leading to wholesome personal living.

The character and reputation of college, its standing in the educational world, the measure of its influence on those who live and study on its campus, is determined in large measure by the dedication and devotion of its faculty. For us, as for many generations of Lees-McRae students, this spirit, this quality of dedication and devotion is most fully expressed in our administration, staff, and faculty.

Through the talents and interest of President Chapman, Richard Jackson, and Charles Ramsey, who handled the paper work, the college acquired lab equipment for physics, chemistry, and fine arts, as well as making application for other financial assistance in supplementing the educational equipment at Lee-McRae through federal grants. The Academic Affairs Committee labored under Chairman Lewis Hall to investigate and acquire those programs needed at Lees-McRae to strengthen the educational system. Various studies and surveys, as well as decisions on policy were handled through the Academic Affairs Committee. Last year the Fine

Many long hours of study, investigation, and frustration, are rewarded with excellence through achievement. Through discussion, depression . . . themes and theocracy . . . analysis and assemblies . . . socialization and statistics . . . The student perceives, inquires, and eventually suffices himself.

Arts Department instituted an Art History course and after a year of trial, it has been placed in the curriculum to be offered each semester. Two new faculty members were added this year and six replaced those who left the college for further study or for positions elsewhere. The college instituted a new degree in the Associate of Science, thereby offering Associate in Arts Degree, as well as Associate in Science and terminal courses. Students are expected to achieve and exhibit scholastic progress toward the fulfillment of the curriculum leading to the A.A. or A.S. Degree. Such progress is indicated by the accumulation in each semester of a minimum of ten semester hours and a minimum of twenty-four quality points.

Lees-McRae College offers to every student the opportunity to understand reality and to orient himself within his environment in order that he may progress toward mature realization of humanity. Through participation in the community of scholars, the student is exposed to the discipline of investigation, analysis, and creative assimilation of the heritage of learning. The faculty requires every student, therefore, to pursue the basic liberal arts of Language and Literature, Mathematics and Natural Science, Religion and Social Science, and Physical and Social Culture. These subjects areas comprise the core curriculum designed to give the student a basic, liberal orientation and a firm preparation for further study.

The college transfer curricula emphasizes the core of liberal arts which will qualify the student for advanced standing in a senior institution and permit some concentration upon a chosen subject area. The terminal curricula require a basic liberal arts orientation and offer courses of professional preparation.

Quiet, comfortable facilities, found in a scenic and picturesque mountain valley, with rustic stone buildings and calm, peaceful surroundings, make Lees-McRae conducive to good study.

## DIVISION OF FINE ARTS AND LANGUAGES

Fine arts and languages offer enrichment . . . Students are encouraged to develop an appreciation for the emotional and cultural values of music, art, languages, literature, and in the process to become more enlightened concerning their own identity and culture.

One purpose of the work in English is to put the student in communication with some of the great writers of the past, as well as of the present, who have used their media effectively for the expression of what they have felt to be significant concerns of the individual and his society.

Mr. Ledford, chairman, Fine Arts Dept., handles the many chores of administration in the FA Department, aside from his teaching duties.

Mr. Roberts and Mr. Baker take time out from their busy schedules to discuss one of the many problems facing the Fine Arts Dept.

In girls gym classes a rounded program of physical activities, such as those of the trampoline, are supervised by Miss Sandra Rigsbee.

## In Memoriam

## THE COLLEGE HAS LOST A TRUE FRIEND AND FAITHFUL SERVANT

### ELEANOR OSBORNE

(1902-1966)

“with faith that comes  
of self control,  
that truths that never  
can be proved  
until we close with all  
we loved  
and all we flow from  
soul in soul.”

—Tennyson.

Funeral services for Miss Eleanor Osborne, 64, were held at the Holy Cross Episcopal Church in Valle Crucis, N. C. Friday, July 29, at 11:00 a.m. Officiating ministers were Rev. Ronald A. Gibson and Rev. Todd Ferneyhough.

She was the daughter of the late Mr. and Mrs. O. H. Osborne of Omaha, Nebraska. The body will be interred in Forest Lawn Cemetery, Omaha, Nebraska. Her only living relative is, a cousin, Mrs. F. J. Shick of Omaha, Nebraska.

Miss Osborne succumbed in a Knoxville Hospital, Tuesday, July 26, from injuries received in an automobile accident near Newport, Tennessee, Saturday, July 23.

Miss Osborne was in her third year at Lees-McRae. She was an assistant to Mr. Lee McCaskey in the Office of Student Services, a counselor, Latin instructor, and sponsor of the school newspaper, *The Bobcat Tales*. She also edited the “Faculty Flash”, the newspaper of the faculty and administration.

She was born in Omaha, Nebraska, and began school there, later moving to New York City where she was graduated from Wadleigh High School. Miss Osborne received her A.B. Degree from Randolph-Macon Women’s College in Lynchburg, Virginia in 1924. She was a member of the Phi Beta Kappa at Randolph-Macon. Before coming to Lees-McRae she had taught 28 years at the Graham School, a college pre-paratory school for girls, in Norfolk, Virginia. For many years during the summer she served as Program Director at Camp Junaluska for girls.

Pall Bearers: (Student (ASB) Body President) Duane Baker, Charlotte, Darrell Baker, Charlotte, and Charles Noe, Morristown, Tennessee; (Newspaper Editors) John Martin, Staunton, Virginia, and Richard Benton, Greensboro; and Larry Ellison, Winston-Salem, Herman Underwood, Burlington, and Joe Jenkins, West Point, Virginia. All of these young men worked closely with Miss Osborne in the student Affairs Office.

**THE MAN  
 RESPONSIBLE...**

**COLONEL  
 CHAPMAN  
 DIRECTS  
 AMBITIOUS  
 PROGRAM  
 AT  
 LEES-McRAE**

Colonel Max Chapman, an avid golfer, shoots in the low 80's when he finds time in his busy schedule to play the many courses in Avery County. His handicap is not on the golf course; instead, his game is only hampered by the demanding tasks that face

him as president and business manager in a growing junior college community. Through his tireless effort, Colonel Chapman has diligently provided guidance to young people faced with the problems of making far-reaching decisions which will affect them through the remainder of their lives.

He has been instrumental in making changes beneficial to the college and its students during the five year term he has served as president. His background, economics major at Clemson, and his 25 years military experience, has prepared him for the tasks that lie ahead and for those prevailing problems that presently face college administrators. His ability to stretch the dollar is well-known among his colleagues. Through his frugal efforts the college has operated in the black for the past five years of his six-year term. The discipline and experience gained through 25 years of military service have given him a deep insight into the problems of human personalities and relations and this has enabled him to cope with the problems of the student body. It has aided him in governing and coordinating the varied programs involving college personnel and students.

His sound economic philosophy, his ability of using facilities to their fullest, his uncanny insight into world affairs, because of his interest in world events through experience of many years of serving the U.S. abroad, make him a valuable executive to Lees-McRae. This is the man responsible for the success or failure of Lee-McRae College.

## Growth And Progress... The '67 Ontaroga Wishes To Recognize 6 Years Of Service

# SPECIAL RECOGNITION

One of the most unique responsibilities and greatest privileges of the staff of the 1967 *ONTAROGA* was to carefully examine the past, present, and as best it might, the future, seeking a particular individual that has had or will have had a profound effect on the lives of Lees-McRae students.

After the sophomore class had voted and those votes compiled, the staff accepted Colonel Max C. Chapman for the dedication of the yearbook.

However, we feel that it is only fitting and proper at this time to acknowledge those people who have made definite contributions to Lees-McRae, and, to those who shared in the voting for the high honor of "dedication of the '67 *ONTAROGA*."

To MR. LEROY McCASKEY for his fairness in dealing with each student as an individual and for his close and serious work with the student body. McCaskey has been Director of Student Services since 1963. He became Vice President of the college last year. Like President Chapman, he is interested in all phases of college life. He strives to help the college obtain the best academic standards and helps choose those students that are qualified and capable of accomplishing high academic work under demanding requirements at Lees-McRae. He has been instrumental in working with the ASB and other organizations on campus to promote the welfare and interests of the college and the students.

To Mr. TED LEDFORD and to Miss MARILYN FILLERS for their dedication and diligent labor in instruction performed at Lees-McRae. We wish them the very best as they take leave of absence to further their education. They have added to the intellectual atmosphere as they continually strived to improve the scholastic standards of the college. And, for more than being a teacher, they have been a friend. Miss Fillers came to Lees McRae in the fall of 1960. Mr. Ledford came in the fall of '61.

To Mr. RICHARD JACKSON whose interest and labor have been the motivating factor in attaining the realization of a new library facility. He has worked closely with Colonel Chapman in applying for funds to build the library and has been of valuable assistance to President Chapman and the architects concerning the new library structure. It has been impossible for the President to handle the many tasks and duties of securing funds and planning the library. Because of his capacity as President and Business Manager, he has been indeed fortunate to have the assistance of Mr. Richard Jackson. Mr. Jackson is dedicated, as all faculty and staff, to the task of making Lees-McRae a better institution of higher learning, and, if possible, the best. The present library facility is run efficiently and with decorum. We sometimes take for granted the library facilities and the staff responsible for making the many volumes, periodicals and newspapers available to us. We wish at this time to acknowledge Mr. Jackson and his library staff. Mr. Jackson is in his fifth year at Lees-McRae.

To DAVID HAYNES and the Associated Student Body for their never ceasing efforts to represent the students, and, the voice they afford each student to the administration.

The Associated Student Body under the leadership of President David Haynes has worked diligently to improve social activities and reforms. The ASB in cooperation with the administration were responsible for the liberalization of the girls dormitory rules. They acquired Saturday night movies and obtained Major Lance to perform for the spring social. The ASB accompanied the Order of the Tower on visits to other colleges to study the student governments and social structures of those colleges. Labor well spent, and efforts united in cause, brought about a profitable year. Our thanks go to Mr. Haynes and the ASB.

and we wish to recognize the wierd, wacky world of Lees-McRae College . . . and to all the people, including those Hundreds not pictured above, for making it so . . .

# ACKNOWLEDGEMENT . . .

The 1967 ONTAROGA is the achievement of those pictured on this page. We, the ONTAROGA Staff, wish to express our sincere appreciation and recognition to these people who, through their inexhaustible efforts and determination, were able to produce a great yearbook.

Without the inspiration and guidance of Mr. Donald R. Baker the publication of this book would have been impossible. Mr. Baker was responsible for the theme, cover design and layout of the 1967 ONTAROGA.

Jack Walden put many hard and long hours into the ONTAROGA. His help was vital to the production of the book. Georgia Giltenboth and Hope Green have given tirelessly of their abilities. Cathie Williams, Suzanne Johns, Nancy Trotter, and Elsie McGowan were always handy for a good idea or for a friendly smile and encouragement during those dark hours before deadlines. Frank Mendoza and Herman Underwood were helpful with their ideas and copy writing. And last but not least we owe a great debt of gratitude to Wily Bobcat for his labors on the ONTAROGA.

We must thank Delmar Printing Company, Mr. Vincent D'Ambrosio, Mr. Wayne Wolfe for their understanding and cooperation in the publication of this book. Their fine craftsmanship is unequalled in printing. We also wish to acknowledge the assistance and unlimited cooperation of Mr. Johnnie Briggs, Delmar representative.

We would like to express our appreciation to all those who have in any way contributed to the 1967 ONTAROGA, and to the faculty, administration and students for their cooperation.
